CLERICAL AGREEMENT**

**Term: January 1, 2009 through January 1, 2011**

## **AGREEMENT**

THIS AGREEMENT, made and entered into this 1<sup>st</sup> day of January, 2009, by and between Mt. Wheeler Power, Inc., hereinafter called the Employer and Local Union No. 1245 of the International Brotherhood of Electrical Workers, AFL-CIO, hereinafter called the Union.

### **ARTICLE I** **RECOGNITION**

1.1 For the purpose of collective bargaining with respect to rates of pay, wages, hours of employment and other conditions of employment, Employer shall recognize Union as the exclusive representative of those employees for whom the National Labor Relations Board certified Union as such representative in Case No. 20-RC-11134.

1.2 The Union and the employees recognize that the Employer continues as the sole and exclusive manager of its business, retaining all of the powers, rights, functions and authority formerly held by management, except to the extent to which they are specifically limited by an express provision of this Agreement and nothing herein contained shall be construed to limit the right of the Employer to determine the character, extent or methods of its operation.

1.3 It is understood and agreed that the Employer retains the unilateral right to determine its methods of operations, or any part thereof. However, the Employer will not contract out work being performed by employees within the bargaining unit which results in the laying off of the then working employees. This shall not be interpreted to prohibit the contracting out of new, different or additional work to which unit employees have not been assigned or work for which, in the opinion of the Employer it does not have the adequate equipment, facilities or skilled personnel to properly perform.

1.4 Provisions of this Agreement shall be limited in their application to employees of Employer as described in Section 1.1 of this Article. When the words "employee" and "employees" are used in this Agreement, they shall be construed to refer only to employees described in said Section 1.1 unless otherwise noted.

1.5 Neither the Union nor the Employer shall discriminate against any employee or prospective employee because of race, sex, color, creed, national origin, age, disability or membership or non-membership in Union.

1.6 The Employer shall deduct from their wages and pay over to the proper officers of the Union the normal and regular membership dues of those employees who individually and voluntarily authorize such deductions in writing. A charge of the true cost per deduction will be made by the Employer for this service. Employees may cancel these deductions at any time by written notification to the Employer. (Amended 2-1-91)

1.7 The Employer will provide bulletin board space for use by the Union for the posting of official Union notices of meetings and similar matters relating to official Union business.

1.8 Upon first reporting to the General Manager or his delegate, an authorized, official representative of the Union shall be permitted to visit operations of the Employer at appropriate times during working hours. This privilege shall not be abused and there shall be no obstruction or interruption of the work. (Amended 2-1-91)

1.9 Union may designate Union Stewards as it deems necessary for the proper administration of its affairs and for the proper execution of the provisions of this Agreement.

## **ARTICLE II** **NO INTERRUPTION OF SERVICE**

2.1 (a) The Employer is engaged in rendering public utility services to the public, and the Union, the employees and the Employer recognize that there is an obligation on each party for the continuous rendition and availability of such services.

(b) The duties performed by employees of the Employer as part of their employment pertain to and are essential in the operation of a public utility and the welfare of the public dependent thereon. During the term of this Agreement, the Union shall not call upon or authorize or permit employees individually or collectively to cease or abstain from the performance of their duties for the Employer. There shall be no strike by the Union or by any employee(s) or lockout by Employer.

2.2 Any employee(s) who participate in, advances, leads or promotes any breach of the no-strike provisions of this Article shall be subject to disciplinary action up to and including discharge.

2.3 Each employee shall perform loyal and efficient work and service and shall use his influence and best efforts to protect the properties of Employer and its service to the public and shall cooperate in promoting and advancing the welfare of the Employer and in preserving the continuity of its service to the public at all times.

## **ARTICLE III** **DEFINITIONS**

3.1 Employees shall be known as regular, temporary, probationary or part-time.

3.2 **Regular Employee:** One who has completed three (3) months of full-time continuous service with the Employer.

3.3 **Temporary Employee:** One hired by the day for occasional or seasonal work or for a limited time. A temporary employee shall not be eligible for fringe benefits such as paid holidays, sick pay, group insurance or paid vacations. If a temporary employee should, in the course of continuous employment, be reclassified to probationary or regular, he shall be credited with continuous service in determining eligibility for benefits accruing to his new status. An employee hired on a temporary basis for a period of time intended to exceed ninety (90) days, will be given a written notice of the time of expected termination. If work is continued beyond

that date or employee is rehired within the following three (3) months, the Union will be notified and the parties shall mutually agree to the status of employees for such additional working time.

3.4 Probationary Employee: One hired for a position regularly established subject to satisfactory performance as judged by supervision. After three (3) months, if determined satisfactory to be a regular employee, a probationary employee's status shall be changed to that of a regular employee.

3.5 Part-Time Employee: One hired to work less than five (5) days per week or less than eight (8) hours per day. Not eligible for fringe benefits.

3.6 The retention of temporary and probationary employees is at the sole discretion of the Employer and termination of employment of such employees shall not be subject to review through the grievance procedure.

#### **ARTICLE IV** **SENIORITY**

4.1 Seniority shall be defined as total length of continuous service with the Employer and the predecessor employers, Ely Light and Power and Eureka Light and Power Company. After an employee has completed his probationary period as outlined in Article III (3.4) of this Agreement, and employee shall accumulate seniority retroactive to last date of employment or re-employment.

4.2 Seniority is lost when an employee quits, is on layoff longer than twelve (12) months, for failure to report to work within five (5) days after the end of a layoff or a leave of absence, upon retirement, upon discharge for cause, or for being off work for any reason other than sick disability for longer than twelve (12) months. The Employer shall post a seniority list as of January 1<sup>st</sup> of each year, a copy of the list also being furnished to the Union.

4.3 Layoffs and recalls of regular full-time employees shall be on the basis of seniority of those employees qualified to perform the available work.

#### **ARTICLE V** **PROMOTION AND DEMOTION**

5.1 It is the intent of the Employer to continue the practice of filling job vacancies by promoting qualified employees from within.

5.2 Vacancies (as determined by the Employer to exist), which will last more than thirty (30) days shall be posted on the bulletin board at each headquarters for a period of five (5) workdays. The bulletin shall be dated and state the name of the headquarters and the vacancy that exists.

5.3 Any employee who desires consideration must notify the Manager in writing within ten (10) workdays of the date of posting. Bid forms will be provided by management to be filled out in triplicate by the bidder.

5.4 Where qualified, available employees bid for a job opening and past performance and qualifications of bidders are relatively equal, the applicant best qualified with the greatest total length of continuous service shall be awarded the job.

(a) In the event a qualified employee does not bid for the posted vacancy within the allotted ten (10) days provided by 5.3 above for employee bids, the Employer will post a notice of that fact and will then be free to fill the vacancy from any available source.

5.5 A temporary appointment to a vacancy shall, if practicable, be given to the employee who would be awarded the vacancy on a permanent basis.

5.6 When it becomes necessary to layoff employees due to lack of work, the employees concerned shall be given as much notice as possible, but in no event less than ten (10) workdays except in cases of emergency beyond the control of the Employer. No notice or layoff is required where temporary employees are involved. Layoff for lack of work will be on the basis of qualifications to do the work available and seniority.

5.7 Nothing in this Article shall be construed to prevent the Employer from hiring new employees into any vacancy where in its judgment qualified employees are not available.

## **ARTICLE VI** **PROTECTION FROM DISCHARGE AND SUSPENSION**

6.1 The Employer may discharge any employee if his work is not satisfactory, but the employee shall have first been given at least one (1) written warning notice with a copy to the Union in all cases except: recklessness, dishonesty; using, possessing, transporting, or being under the influence of intoxicants or illegal controller substances, while on duty or at any time in a vehicle of the employer; refusal to perform required work for which he is qualified, or negligence resulting in more than minor damage to Employer's property or equipment, or negligence which threatens the safety of others. Warning notices shall be effective for twelve (12) months from the date of issue. (Amended 2-1-98)

6.2 Any disciplinary action, demotion, suspension or termination shall be deemed final unless the employee or the Union shall request a hearing with Management within five (5) working days after such action occurs.

6.3 Upon such timely request, all those with any knowledge of the facts may present any such facts or evidence to a person designated by the Employer to hear the matter. Within five (5) working days after such hearing, the employee and the Union shall be notified as to whether the suspension or termination is rescinded, modified, or confirmed. Notice shall be given in writing.

6.4 If not satisfied with this decision, the employee or the Union may notify the Employer of any exceptions to the findings; and may request reconsideration, provided such request is made within five (5) working days after receipt of the decision. If a satisfactory solution is not reached, the matter may be substituted to arbitration by request of the Union provided such

request is made within five (5) working days after the notice from the Employer that they would not grant reconsideration. If arbitration is requested, the arbitrator shall be selected and procedure followed as outlined in Article XVIII Arbitration of this Agreement.

**ARTICLE VII**  
**TEMPORARY OR PART-TIME EMPLOYEES**

7.1 The Employer reserves the right to hire temporary or part-time workers. Such employee(s) shall not be used in order to layoff currently working regular full-time employees. Also, if regular full-time employees are on layoff, temporary or part-time workers shall not be hired before qualified regular full-time employees are first offered the work available. Regular full-time employees who accept part-time work on a temporary basis shall continue to receive fringe benefits available to regular employees. Employees hired as temporary or part-time employees shall receive rates of pay provided in this Agreement, but shall not be entitled to the fringe benefits or paid holidays or group insurance.

**ARTICLE VIII**  
**WAGES**

8.1 The job classifications and minimum hourly wage rates listed therefore in Exhibit A are herewith made a part of this Agreement. Pending negotiations with respect to such classifications and wage rates, the Employer may establish temporary classifications and wage rates.

(b) The Employer will promptly notify Union of any such temporary classifications and wage rates which are established. When the Employer and Union reach agreement on the wage rate for the new classifications, it shall be retroactive to the date when the classification was first temporarily established.

Call out occurs not as an extension of a regular workday, nor when it is less than two (2) hours prior to his regular work time and the work extends into his regular workday, but only when employee has returned home from regular workday or has returned home from a prior call out.

11.6 Overtime opportunities shall be divided as equally as practicable among those qualified to do the work by classification.

11.7 An overtime opportunity list shall be maintained by classification.
