Mr. Joe Duffey, Chapter Manager
WESTERN LINE CONSTRUCTORS CHAPTER
National Electrical Constructors Association
Graystone Plaza, Suite 16
1174 East 2700 South
Salt Lake City, Utah 84106

Dear Mr. Duffey:

Pursuant to the recent tentative settlement in general negotiations, the parties agreed to the following supplement to the Outside Line Construction Agreement:

Employers may advance Journeyman to Foremen as needed and also may advance an employee to jobs of a higher classification when the employee's referral slip shows that such is his/her regular classification, and these will not be considered a "temporary upgrade" as defined herein. The Employer shall notify the Steward during the same work day of such advancements.

Should the Local Union be unable to refer applicants to the Employer for the classification requested, the Employer may, by agreement with the Business Manager or his/her Representative, advance workers on the job to higher classifications of work which they are able to perform. Such advancement shall be considered a "temporary upgrade" and the Employer shall notify the Union in writing of the names of such workers temporarily upgraded on the job.

All "temporary upgrades" shall end at the conclusion of the job for which they were made unless otherwise agreed to by the Local Union.

If you agree with the above, please sign and return one executed copy.
