Agreement 1 by and between TTR Substations, Inc. and Local Union 1245, of the International Brotherhood of Electrical Workers. As used hereinafter in this Agreement, the term "Employer" shall mean TTR Substations, Inc., and the term "Union" shall mean Local Union 1245, I.B.E.W.

PURPOSE AND SCOPE OF THIS AGREEMENT

The intent of this Agreement is to establish uniform conditions of employment for Construction Coordinator/Inspector workers, as hereinafter provided. Due to the nature of this specialized workforce, the parties recognize and agree to cost shifting of the normal benefit structure of the industry. At such time, the parties establish a training program, and new workforce, they will address, and place into effect the normal wage and benefit structure outlined in the Outside Line Construction Labor Agreement.

Local Union 1245 is presently chartered by the International Brotherhood of Electrical Workers, AFL-CIO, to cover certain electrical work in the States of California (except Siskiyou, Modoc, and Del Norte Counties) and Nevada (except Lincoln, Clark and that part of Nye County lying south of the Mount Diablo base line); therefore, the territorial scope of this Agreement shall uniformly cover the above area.

SCOPE OF THIS AGREEMENT

The scope of the work covered by this Agreement shall be: inspection work in/on electrical switchyards, substations, and power plants, systems owned, maintained and operated by electrical Utility Companies, Municipalities, or Governmental Agencies engaged in utility operations that shall include:

In connection with all of the above items, it is understood the scope of this Agreement shall include not only new installation work but shall also govern the repair, maintenance, or dismantling of such equipment.

BASIC PRINCIPLES

The Electrical Contractor and the Union have a common and sympathetic interest in the Electrical Industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the Employer, the Union and the Public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by rational common-sense methods.

MANAGEMENT RIGHTS

The Union understands the Employer is responsible to perform the work required by the owner. The Employer shall therefore have no restrictions, except those specifically provided for in the collective bargaining Agreement in planning, directing, and controlling the operation of all his work, in deciding the number and kind of employees to properly perform the work, in hiring and laying off employees, in transferring employees from job to job within the Local Union's geographical jurisdiction, in determining the need and number as well as the person who will act as foreman, in requiring all employees to observe the Employer's and/or owner's rules and regulations not inconsistent with this Agreement, in requiring all employees to observe all safety regulations and in discharging employees for proper cause.

Now, therefore, in consideration of the mutual promises and Agreements herein contained, the parties hereto agree as follows:

ARTICLE I.

EFFECTIVE DATE

1.01 This Agreement shall take effect April 1, 2006, and shall remain in effect until May 31, 2009 unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from June 1 through May 31 of each year, unless changed or terminated in the way later provided herein.

CHANGES

- a.) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least (90) days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.
- b.) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.
- c.) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.
- d.) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations for the Electrical Contracting Industry (CIR) may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.
- e.) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.
- f.) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

1.02 This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the IBEW for approval, the same as this Agreement.

There shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

GRIEVANCES/DISPUTES

There shall be a Labor-Management Committee of three representing the Union and three representing the Employers. It shall meet regularly at such stated times as it may decide. However, it shall also meet within 48 hours when notice is given by either party. It shall select its own Chairman and Secretary. The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

All grievances or questions in dispute shall be adjusted by the duly authorized representative of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within 48 hours, they shall refer the same to the Labor-Management Committee.

All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four members of the Committee, two from each of the parties hereto, shall be a quorum for the

transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting. In the absence of a deadlock, the Labor-Management Committee's decision shall be final and binding.

Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

Any grievance not brought to the attention of responsible opposite parties to this Agreement in writing within 5 working days of its occurrence shall be deemed to no longer exist.

ARTICLE II.

It is specifically agreed by the parties hereto that one (1) of the purposes of this Section is to prevent, whether by direct or indirect methods the practice of double-breasted companies, as that term is used and commonly understood in the contracting industry. Therefore, no contractor shall form any other company, or join with any company not a party to this Agreement where the object or result of such action is that work traditionally performed by members of the IBEW will be performed by employees under less favorable terms and conditions than are set forth herein. Such Steward shall see that this Agreement and Working and Safety Rules are observed and he shall be allowed sufficient time and be furnished necessary transportation to perform these duties during regular working hours. Under no circumstances shall the Employer dismiss, or otherwise discriminate against, an employee for making a complaint or giving evidence with respect to an alleged violation of any provision of the Agreement.

The Steward shall be included in all overtime at his/her headquarters whenever feasible.

The Business Manager shall remove from his/her duties any Steward at any time he considers the best interest of the Local Union will be served thereby and shall notify the Employer immediately of such removal.

3.11 When an Employer believes a Steward should be removed from the job, he shall:

- c.) Notify the Business Manager of the reasons why he believes the Steward should be removed.
- d.) If the Business Manager does not agree that there is just cause to remove the Steward, he may request a meeting with the Employer's Representative to attempt to resolve the dispute.
- e.) If the Business Manager and the Employer's Representative do not resolve the dispute and the Employer discharges the Steward, the dispute will be referred to the Labor-Management Committee established by Section 1.5 for the adjustment thereof.

ACCESS TO JOBS

3.12 The Representative of the Union shall be allowed access to any shop or job at any reasonable time where workers are employed under the terms of this Agreement.

PROMOTE ELECTRICAL INDUSTRY

3.13 The policy of the Local Union and its members is to promote the use of materials and equipment manufactured, processed, or repaired under economically sound wage, hour, and working conditions by their fellow members of the International Brotherhood of Electrical Workers.

CAUSE FOR CANCELLATION

3.14 The Local Union is a part of the International Brotherhood of Electrical Workers and any violation or annulment by an individual Employer of the approved Agreement of this or any other local union of the I.B.E.W., other than violations of Paragraph 2 of this Section, will be sufficient cause for the cancellation of this Agreement by the Local Union, after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

The subletting, assigning or transfer by an individual Employer of any work in connection with electrical work to any person, firm or corporation not recognizing the I.B.E.W. or one (1) of its local unions as the collective bargaining representative of his/her employees on any electrical work in the jurisdiction of this or any other local union to be performed at the site of construction, alteration, painting, or repair of a building, structures or other work, will be deemed a material breach of this Agreement.

All charges of violations of Paragraph 2 of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

It shall not be considered a violation of this Agreement for employees to refuse to cross a legal picket line established by any other union.

3.15 The Union agrees to refer applicants without regard to race, religion, creed, color, gender or handicap, and the Employer agrees to hire applicants under the same condition.

The Employer shall not discriminate against employees in regard to hire or tenure of employment by reason of Union membership; provided, however, all workers, members of the Union or otherwise, shall be classified and receive the wage scale as provided in this collective bargaining agreement.

3.16 The dangers and costs which alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that to be effective, programs to eliminate substance impairment should contain a strong rehabilitation component. The parties recognize the Employer's right to adopt and implement a drug and alcohol policy subject to all applicable laws and regulations, procedural safeguards, scientific principles, and legitimate interests of privacy and confidentiality. However, the Union reserves the right to negotiate regarding the terms of the Employer's policy before the policy is implemented by the Employer. When drug and alcohol testing is performed, all testing shall be conducted in accordance with the procedures outlined in the aforementioned policy.
