Dear Mr. Dalzell:

Although Letter of Agreement 13-27, Electric T & D Job Definitions and Line of Progression requires employees in the Transmission Cableman classification (50010381) to possess a Class B license, to address the needs of the business to drive equipment requiring a Class A Driver's License, the parties agree to update Letter of Agreement 12-32 to include Transmission Cableman. All employees are still required to possess a Class B license however, bidders into the Transmission Cableman position may be required to possess a Class A license until the ratio of 150% employees with Class A licenses to Class A vehicles is reached. Incumbents in Transmission Cablemen positions who do not possess a Class A license at the time of execution of this agreement shall not be required to have or get one.

If you agree, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
