Attention: Mr. L. L. Mitchell, Business Manager

Gentlemen:

Beginning August 15, 1972, East Bay Division will employ and train two University of California, Berkeley, students to expedite the handling of student accounts during the peak change-over periods which last approximately six weeks each semester. The students will be designated part-time temporary additional Student Service Clerks and paid at the beginning Clerk D wage rate until and unless they have accumulated 1040 hours, at which time their pay will be increased to the second step of the Clerk D rate.

The Student Service Clerks will each work five hours Monday through Friday, one from 8:00 AM to 1:00 PM - the other from 12:00 noon to 5:00 PM. A direct telephone line to the Berkeley office will be installed to handle orders. They will not handle any cash.

The students will neither be considered as being included under Title 2 of the Clerical Agreement nor will they become regular employees of Company under this program.

Very truly yours,

W Bonbright
