Attention: Mr. Jack McNally, Business Manager

Gentlemen:

The Company proposes, pursuant to Section 202.16 of the Physical Agreement and generic Letter Agreement 86-155-PGE, to establish a ten-hour, four-day workweek schedule in the Eureka Electric T&D Department. The effective date of this agreement will be the first Monday following the signing of this agreement by the Union and will continue until approximately October 20, 1987.

This proposal will follow generic Agreement 86-155-PGE with the exception of the specific proposals outlined below:

The schedule for participants will be from 0700 to 1730, with the exception of the Foreman's Clerk whose workday will be 0600 to 1630. This employee's normal work hours are 0700 to 1530.

The Eureka Troublemens will not be included in this proposed trial ten-hour, four-day workweek and, therefore, will continue their normal work schedules.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Yours very truly,

PACIFIC GAS AND ELECTRIC COMPANY
