Review Committee File No. 793  
General Office LIC Grievance No. 22-68-2  
Discharge of Mrs. Eleanor Steward

*Ret 6/2/68*

April 29, 1968

MR. FRANK CORTESE, Company Member  
Local Investigating Committee  
General Office

The above-subject grievance was referred April 17 to the Review Committee. A Review Committee hearing in this matter was scheduled for May 3, 1968. This meeting has been cancelled and I would appreciate your so informing those who had been requested to be in attendance.

Since then, the Review Committee has obtained additional information concerning Mrs. Steward's employment over the past years, that is, relevant to the question of her discharge. I am enclosing exhibits for the use of the Local Investigating Committee which pertain to her production records in 1967 and attendance record in the years 1965, 1966, 1967 and 1968. The Local Investigating Committee will reopen its investigation to include these and other matters which bear on the question of her discharge.

The Local Investigating Committee's final disposition in this matter should be noted in the minutes of your next Joint Grievance Committee meeting.
