Dear Mr. Dalzell:

The Company proposes to include the Grace Period provided under IRS Notice 2005-42 for the Health Care Reimbursement Accounts (HCRA) beginning in 2007. In 2005, the IRS approved the Grace Period as a way to encourage greater participation in HCRA-type plans and to help participants avoid forfeiting money. This Grace Period allows members, who participate in HCRA for both the current year and prior year, to have current year eligible expenses incurred before March 15 applied to any remaining account balance from the prior year. All claims documentation must be received by the claims administrator, currently Ceridian, by March 31.

Either party may cancel this agreement upon 30 days advance written notice for the subsequent year.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided and return one executed copy of this letter to the company.

Very truly yours,

PACIFIC GAS & ELECTRIC COMPANY
