

Bargaining Time

The new IBEW Physical Agreement will determine our wages and working conditions for years to come.

The new Benefits Agreement will set Benefit standards for Physical as well as Clerical members.

Everyone's participation is important!

Submit your proposals for the Physical Agreement and the Benefits Agreement by March 31, 2011.

Proposals can be submitted electronically over the IBEW Local 1245 website at www.ibew1245.com. Scroll down to the PG&E section of the website and click the bargaining icon to find the electronic proposal form. Fill it out and hit the "submit" button.

Or you can print out your completed form and submit it at your unit meeting—or give it directly to your IBEW business representative, your shop steward, or a PG&E Bargaining Committee member.
