AGREEMENT

AGREEMENT MADE AND ENTERED INTO by and between ALAMEDA-CONTRA COSTA TRANSIT DISTRICT, a body corporate and politic, hereinafter called the "District", and LOCAL 1245, INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS, and the employees of the District who are now or may hereafter become members of said Local 1245, hereinafter called the "Union".

BASIC PRINCIPLES

The District and the Union have a common and sympathetic interest in the transit industry. Therefore, a working system and harmonious relations are necessary to improve the relationship between the District and the Union. All will benefit by continuous peace and by adjusting any differences by rational, common sense methods.

The District in making this Agreement has considered and taken into account the fact that the Union and the bargaining unit represented by the Union has been recognized by the National Labor Relations Board and the District's predecessor, Key System Transit Lines, and was so recognized in the Agreement dated the 23rd day of June 1960, between Key System Transit Lines and the Union, which Agreement was assigned to the District on October 1, 1960. Therefore, pursuant to said purpose and facts the parties hereto agree as follows:

It is recognized that the District is engaged in public service requiring continuous operation and it is agreed that recognition of such obligation of continuous service during the term of this Agreement is imposed upon both the District and its employee members of the Union.

The District shall not by reason of the execution of this Agreement abrogate or reduce the scope of any present wage rate of any employee covered hereby or change the conditions of employment of any such employee to his/her disadvantage. The foregoing limitation shall not limit the District in making a change in a condition of employment if such change has been negotiated and agreed to by the District and the Union.

There shall be no stoppage of work either by strike or lockout because of any dispute over matters relating to the provisions herein or during the time that any grievance or other matter is under arbitration as provided hereinafter. All such matters must be handled in the manner later provided in this Agreement.

- (a) First ninety (90) working days of employment- ninety percent (90%) of applicable rate.
- (b) Thereafter - one hundred percent (100%) of applicable rate.

11.03 The "applicable rate" referred to above is the rate to which the employee would be entitled (including therein any cost-of-living allowance) were this provision not in effect.

SECTION 12.0

COST-OF-LIVING

* 12.01 Escalator Clause:

- (a) In addition to the basic wage rates contained in this Agreement, all employees covered by this Agreement shall be entitled to a cost-of-living allowance, as set forth in this Section.

*12.02 The basic wage rates as contained in this Agreement shall not be reduced by application of this cost-of-living provision. The cost-of-living allowance shall be determined and re-determined in accordance with changes, if any, in the Consumer Price Index for Urban Wage Earners and Clerical Workers, U.S. Cities Average, 1967=100, published by the Bureau of Labor Statistics, United States Department of Labor (hereinafter referred to as the "Index"), in the manner described in this Section and applied to each of the hourly rates as set forth in the various sections of the Agreement.

*12.03 The first cost-of-living adjustment will be based on the percentage change in the Index between the Index published for the month of March and the Index published for the month of June.

*12.04 Quarterly-annual adjustments shall be made thereafter throughout and until the final adjustment paid commencing with the first payroll period after publication of the Index for the month of March in the last calendar year of this Agreement. Quarterly adjustments effective in July and thereafter will be based on the changes in the Consumer Price Index on a floating base according to the following table:

- * (a) From the CPI for the month of March to the CPI for the month of June, allowance paid in the month of July.
- * (b) From the CPI for the month of June to the CPI for the month of September, allowance paid in the month of October.

*12.05 The cost-of-living allowance shall be used in the computation of straight time and overtime pay exactly as though the wage rates had been increased by the allowance. However, the allowance shall not be added to the basic wage rates but only to each employee's earnings. Each quarterly cost-of-living adjustment shall be combined with the cost-of-living allowance being paid from the prior period and the combined amount shall be paid until the next cost-of-living adjustment.

SECTION 35.0

ATTENDANCE POLICY

35.01 (a) It is recognized by the parties that a significant number of AC Transit employees have good attendance records. It is further recognized that the economic well-being of the District is dependent on employees maintaining good attendance records by coming to work on time and on a regular basis. The intent of this program is to recognize those employees with good attendance records and, consistent with this policy, not to discipline them. Those employees who are guilty of excessive or unacceptable absenteeism, consistent with this policy, will be counseled and, if their attendance does not improve, will be subject to progressive discipline up to, and including discharge.

(b) Excessive absenteeism is not based solely on the number of times an employee is absent. For example, an employee may not be guilty of excessive absenteeism even if he/she is off from work many days if there are legitimate reasons for his/her absences, consistent with this policy. Similarly, an employee may be guilty of excessive absenteeism if he/she is simply taking time off without legitimate reason, consistent with this policy. Whether an employee is guilty of excessive or unacceptable absences depends upon all the facts of each particular case.

35.02 (a) Except as set forth in subsection (b) of this paragraph, an "absence" is a failure to be at work, or to remain at work as scheduled, for any single workday or for any single consecutive series of work days or any portion of any single workday or days. An "absence" also includes each "failure to report as assigned" which occurs when an employee:

(5) Fails to report in person as assigned before his/her starting/report time. Two (2) instances of tardiness of six minutes or less shall be considered a single absence, deemed to have occurred for purposes of any rolling twelve-month review upon the second instance of such tardiness.

(2) Fails to make relief at the designated time and place.

(3) Fails to notify the District at least 1/2 hour prior to his/her starting/report time of his/her unavailability for work (an employee shall not receive an absence for failure to report in person for an assignment if the employee has received an absence for failing to report unavailability for the assignment under this paragraph).

(b) The term "absence" shall not include any of the following:

(5) Absence due to job-related injuries or job-related illnesses substantiated by a medical doctor within 24 hours of return to work;

(6) Absences from work resulting from vacation, holidays, military leave, bereavement leave, authorized leaves of absence (including "personal excused"), union business, suspensions imposed by the District, or jury duty;

(3) Any failure to report as assigned or failure to be at work (if reported within twenty-four hours after the start of the employee's shift or work assignment), or any failure to remain at work (if reported to the employee's supervisor prior to leaving work), that is due to a documented catastrophic event, occurring to the employee, or to his/her spouse, dependent minor child, parent, or previously designated domestic partner.

(ss) Any failure to report as assigned, failure to be at work, or failure to remain at work, which is excused by a supervisor pursuant to paragraph 35.03 a - c of this section.

(5) In the event of a serious illness or injury to the employee verified by a medical or dental practitioner, or a verified continuing civil court matter (including hearings and conferences required by a court, but not including meetings with the employee's attorney), requiring the employee to be away from work during a future period of time, or a serious illness or injury to the employee's spouse, dependent minor child, or previously designated domestic partner, verified by a medical or dental practitioner, requiring the employee to be away from work during a future period of time, the employee, the Union and the District shall agree to a plan that will reasonably allow the employee to be away from work over a specified period of time. In developing such plans, the needs of the employee and the District shall be considered. Such days missed from work shall not be considered an "absence".

35.03 (a) Any employee who has an absence, and who believes that the absence was due to unusual or extraordinary circumstances beyond his/her control, or who believes that there were other extenuating circumstances for the absence, may within five (5) working days of the absence discuss all reasons for the absence with his/her supervisor, present all available documentation, and request that the absence be excused.

(b) In deciding whether to excuse the absence, the supervisor shall review the circumstances presented by the employee in light of the purposes of this Attendance Policy which are to prevent excessive absenteeism but not to discipline employees who regularly come to work. The supervisor shall act fairly and impartially in deciding whether to excuse an absence.

(c) Any absence which is excused by a supervisor shall not be considered as an absence for any purpose.

(d) If a supervisor decides not to excuse an absence, that decision shall not be grievable at that time. If, however, discipline for attendance is imposed at that time or later, the employee shall not be precluded from claiming that the absence should have been excused.

35.04 (a) Any employee who has been at work and has no absences in any rolling six-month period shall have his/her two (2) most recent absences permanently excused. Any absences permanently

excused pursuant to this paragraph should not be used against the employee for any purpose.

(b) (1) In lieu of the attendance incentive, the District shall pay to each IBEW non-probationary employee who is on the payroll as of July 1st of each year, one thousand dollars, less applicable taxes, directly into the employee's AC Transit Deferred Compensation 457 Plan, said payment to be made on or before February 15th of the following year.

(2) Should an employee decline or refuse to participate in the District sponsored Deferred Compensation 457 Plan, he/she shall not be entitled to the annual one thousand dollars (\$1,000) deferred compensation payment.

(3) Deferred compensation payments shall not be included in the base wage rate set forth in Section 11.01 of the Agreement.

35.05 (a) It is recognized by the parties that some absences are to be expected

Accordingly, the first six (6) absences within a rolling twelve-month period will be treated as "unreported absences" and will not subject an employee to discipline. The absences will, however, be recorded for future reference and possible discipline under this section.

(b) Any employee who has five (5) absences in any rolling twelve-month or less period, shall receive counseling by a Supervisor. A Union representative shall be present at all counseling sessions. The counseling is not intended to be punitive; rather it shall be for the purpose of discussing the absences and their cause; determining if the employee is experiencing some type of difficulty for which assistance might prove helpful; providing the employee with a copy of the Attendance Policy which the employee shall acknowledge receipt of in writing; and advising the employee as to the consequences of future absences. If the District does not make a reasonable effort to notify and counsel the employee within ten (10) working days of his/her 5th absence, the employee's last absence shall be permanently excused and shall not be used against the employee for any purpose.

35.06 (a) If an employee has seven (7) or more absences in any rolling twelve-month period, he/she shall receive the following discipline:

Seventh (7th) absence -- oral warning and counseling.

Eighth (8th) absence -- written warning and counseling.

Ninth (9th) absence -- suspension of five (5) work days, and counseling.

Tenth (10th) absence -- discharge.

(b) Nothing contained in this section shall, in appropriate cases, prevent the District from assessing progressive discipline, up to and including discharge, to any employee who engages in a pattern of absenteeism even if the employee has not reached the levels of absence set forth in subsection (a) of this paragraph. Whether such a pattern exists depends upon the particular facts of each case.

(c) Notwithstanding the provisions of this paragraph, any absence for three (3) consecutive working days without notifying the District of the reasons for said absence shall be deemed sufficient cause for discharge.

35.07 (a) Any discipline implemented by the District under this Attendance Policy shall be in accordance with the provisions of paragraph 4.01 of the Labor Agreement.

(b) In the case of a suspension or discharge instituted pursuant to paragraph 35.06 above, the District shall issue a notice of intent to suspend or discharge, which shall not, if appealed, be implemented until upheld or modified by the arbitration procedure provided below. Suspensions shall thereafter be implemented within twenty (20) working days; discharges shall thereafter be implemented immediately.

(c) If an employee or the Union wishes to appeal any discipline imposed under this Section, it may do so under the procedures set forth in paragraphs (d) through (f) below.

(d) The employee may appeal an oral warning, written reprimand or suspension by filing with the District within five (5) working days of receipt of notice of the discipline. The appeal, shall briefly set forth, in writing, the reasons for challenging the discipline. Similarly, the employee or the Union may initiate an appeal of an intent to discharge by filing such with the District within ten (10) days of receipt of notice. The appeal shall briefly set forth, in writing, the reasons for challenging the intent to discharge. If no appeal is filed, the discipline or discharge shall stand. The employee bears the burden of documenting all material facts constituting a claimed excuse or justification. Such documentation must be submitted to the District and to the Union as soon as available.

(e) Each week a representative of the Union and a representative of the District will meet to review such appeals informally. Any appeals resolved shall be final and binding but without precedential effect for any case not involving the employee concerned. The District shall notify the employee, in writing, within five (5) working days of the result of the informal review.

(f) Any discipline which is not resolved by informal review may be submitted to expedited arbitration.

35.08 Employees who fail to report as assigned, and who subsequently accept and complete an assignment on that day, shall receive a minimum guarantee of four (4) hours.

SECTION 36.0

NON-DISCRIMINATION/AFFIRMATIVE ACTION

36.01 There shall be no discrimination in the application of the terms of this agreement on the basis of age, sex, race, color, marital status, sexual orientation religion, pregnancy

national origin, ancestry, disability, cancer-related medical condition, or veterans status or any other basis prohibited by State or Federal Law.

SECTION 37.0

AMERICANS WITH DISABILITIES ACT (ADA)

- 37.01 The parties recognize that the ADA may accommodations for individuals require protected under the Act, and that because these accommodations must be determined on an individual, case-by-case basis, the provisions of this Agreement may need to be waived to accomplish the accommodations required by the Act. If the District believes that any provisions of this Agreement must be waived in order to undertake required accommodations for an individual protected by the Act, the District will provide the Union with written notice of its proposed waiver. All waivers of any provisions of this Agreement in order to undertake required accommodations will be by the mutual agreement of the parties. The Union agrees it will not arbitrarily or unreasonably withhold consent. Any accommodation provided to an individual protected by the ADA, shall not establish a past practice, nor shall it be cited or used as evidence of a past practice in the grievance/arbitration procedure.

SECTION 38.0

LEAVES OF ABSENCE

- 38.01 It is the purpose of this section to set forth the types of leave, eligibility and procedures to obtain leaves. There are other options available to employees which they are encouraged to explore such as ADA, Workers' Compensation and State Disability. Some of these options are in addition to and can be used in conjunction with the leaves available under this section. For further information contact the District's Human Resources or Benefits Departments.

38.02 TYPES OF LEAVE:

A. FAMILY AND MEDICAL LEAVE (FML):

This leave is intended to meet the requirements of the Family and Medical Leave Act of 1993 (the FMLA) for employee leaves requested under the FMLA. This leave does not cover leave requested under other federal or state laws and should be read in conjunction with the District's other leave policies.

1. Eligibility:

Employees are eligible for leave under the FML only if:

- a. The employee has been employed by the District for at least 12 months; and
- (tt) The employee has worked a minimum of 1.250 hours during the 12 month period before the leave is requested.

(uu)

Work is defined to mean hours spent in a paid status excluding all forms of paid leave including sick leave, off work due to industrial injury, vacation, holidays, jury duty, bereavement leave and military leave.

2. Purpose and Amount of Leave:

Except as set forth herein, eligible employees may take a total of 12 weeks of unpaid leave during a twelve month period for any one or more of the following reasons:

- a. For the birth of a son or daughter of the employee;
- b. Because of the placement and initial care of an adopted or foster child;
- c. In order to care for a spouse, previously designated domestic partner, son, daughter or parent of the employee if such spouse, son, daughter or parent has a serious health condition; or
- d. Because of a serious health condition that makes the employee unable to perform the functions of their position.
- e. The 12-month period is determined by a rolling 12 month period measured forward from the commencement of the first day of FML.

3. Serious Health Condition:

A "serious health condition" as used herein means an illness, injury, impairment or physical or mental condition as defined in Title 29, Part 825 of the Code of Federal Regulations, which involves:

- a. Any period of incapacity or treatment in connection with or consequent to inpatient care in a hospital, hospice, or residential medical care facility;
- b. Any period of incapacity requiring absence from work or school or other daily activities, of more than three calendar days, provided said absence is a result of continuing treatment by a health care provider; or
- c. Continuing treatment by, or under the supervision of a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity for more than three calendar days or for prenatal care.
- d. "Serious health condition" does not include short-term conditions such as colds or flu, for which treatment and recovery are very brief, and generally would be covered by sick leave. "Serious health condition" includes: heart attacks, conditions requiring heart bypass or valve operations, most cancers, back conditions

requiring extensive therapy or surgical procedures, strokes, severe respiratory conditions, spinal injuries, appendicitis, pneumonia, emphysema, severe arthritis, severe nervous disorders, injuries caused by serious accidents on or off the job, viable pregnancy, severe morning sickness, the need for prenatal care, childbirth and recovery from childbirth.

4. Leave Periods:

Leave taken by an employee for the birth or placement of a child must be taken in one twelve-week segment and must be taken within 12 months of the birth or placement of the child. In the case of a previously designated domestic partner, FML may only be taken once for the birth or adoption of the same child, not both.

Leave taken to attend to the serious health condition of the employee or the employee's family member may be taken in one twelve-week segment, or may be taken on an intermittent or reduced leave schedule if medically necessary. The employee must make a reasonable effort to schedule his or her leave so as not to unduly interrupt District operations and must give 30-days notice of his or her intent to take leave, if practicable.

If an employee chooses to take intermittent or reduced leave, the District may require the employee to temporarily transfer to another position or shift for which the employee is qualified, and which would provide equivalent pay and benefits and a better accommodation for the employee's recurring periods of leave.

FML will be limited to a combined total of 12 weeks in a 12 month rolling period by spouses or previously designated domestic partners who both work for the District, if leave is taken for the birth, adoption or placement for foster care of a child or care of a parent with a serious health condition.

5. Substitution of Paid Leave:

If any employee is off due to their own serious health condition, accrued sick leave, vacation, or personal time off will be applied to the leave period until exhausted (See section 38.03 below on Procedures for additional provisions). An employee must exhaust vacation, or personal time off for such conditions, but may elect to use accrued sick leave for the "serious health condition" of a family member.

B. PREGNANCY DISABILITY LEAVE:

Employees disabled as a result of pregnancy may take leave not to exceed 16 weeks as provided by State law. Employees off due to pregnancy disability must use accrued sick leave, vacation, management leave or compensating time off.

C. LEAVE OF ABSENCE:

A leave of absence without pay may be requested for emergencies, personal reasons," or additional leave following exhaustion of FML, up to a maximum of six months. Such leave may be renewed for additional periods of time not to exceed six months each on the recommendation of the Division

Superintendent or Department Manager and the approval of the General Manager.

The District has sole discretion to grant the request for the leave and may grant less leave than requested due to the operational needs of the District or failure of the employee to substantiate the need for the time requested.

38.03 PROCEDURES:

The following procedures are applicable to all types of leave set forth in this section.

A. REQUESTS:

Employees must give 30-day written notice of their intent to take leave to their Division Superintendent, Department Manager or designee unless such leave is unforeseeable. If the leave is unforeseeable, notice must be given as soon as the necessity for the leave arises or is known.

Requests for extensions of leave must be made at least 15 days in advance of the date the extension is to commence. Requests for extension must be submitted to the Superintendent or Manager.

In all cases, requests for leave must be made on the Request for Leave form. The request must be complete and in writing and must state the reason for the leave, the duration of the leave and the starting and ending dates of the leave. Failure to submit the form to the employee's Superintendent or Manager may result in delay or denial of the employee's request.

B. EFFECT ON BENEFITS:

1. Generally: For leaves taken in excess of one month or major portion thereof, an employee will not accrue any benefits during the leave period, except as set forth herein or in the Retirement Plan document. The leave does not entitle the employee to any greater rights than he or she would have had if they had remained in the workplace.

2. Health and Welfare: The employee will remain covered by the District's health care benefits for a period not to exceed six months. However, if the employee does not return to work after the leave period, the District may require the employee to repay the health care premiums paid by the District during the leave period, unless the employee does not return due to circumstances beyond the employee's control. If an employee is required to reimburse the District for health care premiums, said sums may be deducted from any accrued sums due the employee upon separation of service with the District.

If the leave extends beyond six months, the employee may elect to purchase health benefits.

3. Holidays: If a paid holiday falls during the period an employee is on leave of any kind, the employee is not eligible for holiday pay.

4. Vacation: An employee on leave of any kind for one month or a major fraction thereof, does not accrue vacation credits during that time.
5. Sick Leave: An employee on leave of any kind for one month or a major fraction thereof, does not accrue vacation credits during that time.

C. USE OF PAID LEAVE:

If the employee takes any single or accrued leave in excess of 15 work days within a rolling twelve month period, any accrued vacation, sick leave (if applicable) will be applied to any additional leave until all accrued paid leave is exhausted. The remainder of the leave will be unpaid.

The leave shall be measured from the first day of leave in a rolling 12 month period.

D. REINSTATEMENT:

An employee returning from leave will be reinstated to the same or equivalent position, with equivalent pay, benefits and other terms of employment.

E. CERTIFICATION:

An employee who requests leave to care for their own serious health condition including disability as a result of pregnancy, or the "serious health condition" of a family member, must provide a certification by their health care provider, acceptable to the District, which justifies the leave. The certification must state the date on which the health condition commenced, the probable duration of the condition, and the appropriate medical facts regarding the condition. If the employee has a "serious health condition", the certification must state that the employee cannot perform the essential functions of his or her job.

This certification must be provided by the employee within 15 days of the request for leave, unless it is not practicable to do so. Failure to provide the required certification on time may impact the employee's ability to take leave as requested.

In the case of FML, the District may also require a second opinion as to a "serious health condition" at its own expense. This opinion shall not be given by a medical professional regularly used by the District.

In the event of a conflict between two medical opinions, the District, may, at its own expense, require a third opinion from a medical professional jointly designated by the District and the employee whose decision shall be binding on the District and the employee.

Employees on leave must check-in monthly with their Superintendent or Manager to advise them of their status and the probable date of their return to work. The District may request verification, acceptable to the District, from the employee of his/her continuing need for leave.

F. RETURN FROM LEAVE:

An employee must contact their Superintendent or Manager at least five working days prior to their intent to return to work from leave for the purposes of discussing the return. Failure to contact the employee's supervisor may result in a delay in return to active status.

An employee returning from leave taken for his or her own "serious health condition" must provide certification from their health care provider that they are able to resume work without restrictions. A leave of absence will automatically be cancelled and employment terminated if the employee is working while on leave.

G. FAILURE TO RETURN FROM LEAVE:

Failure to return to work upon the expiration of any leave of absence will result in termination.

SECTION 39.0

UNION LEAVE

- 39.01 Subject to the operational needs of the District, including but not limited to the ability to make adequate arrangements to take care of the employee's duties without undue hardship to the District, the District shall, at the request of the Union, grant a "leave of absence" without pay, benefits to be paid for by the Union, to any employee, for the purpose of engaging in union business. Such "leave" shall be for a period not to exceed a total of six (6) consecutive months. An employee who has returned to work for the District following an absence on "leave" for union business shall not be granted another such "leave" until such employee has worked for a period equivalent to the time of the last continuous absence on "leave" for union business. "Leaves" of 30 days or less are not intended to be covered by this section.

Steps shall also be put in place to ensure that IBEW is able to participate in the existing multi-union safety committee, if it is not already doing so.

Unless otherwise agreed to, the parties shall be equally represented on the Job Safety and Accident Training Committee.

43.01 This section is intended is to provide a means of filling temporary vacant positions with qualified journey level personnel. The decision of whether to fill vacancies in the unit on a temporary basis shall be determined by the District.

43.02 AC Transit (District) and IBEW Local 1245 agree that the District will hire IBEW members from IBEW's hiring hall (Hall) for temporary assignments. A temporary employee is an individual employed by the District:

Any extension, and its duration, shall be agreed to in writing. IBEW agrees not to unreasonably withhold its consent to an extension. The District agrees that this Agreement shall not be used as a means of circumventing the hiring of permanent employees.

43.04 Prior to requesting temporary personnel pursuant to this Agreement, the District will first offer the work as overtime to the regular full-time employees in the affected classification.

43.07 The parties do not intend to increase the District's employment costs (unemployment, workers' compensation, etc.). If the District determines that its costs are increased, the District reserves the right to void this section upon thirty (30) calendar days written notice to IBEW and to contract with an employment agency that will refer temporary personnel from the IBEW Hall.

It shall be the responsibility of IBEW to notify the individual(s) being referred that the work order has been canceled and not to report for work. In the event the District fails to notify IBEW in time to cancel the referral and the temporary employee reports for work, he/she will be paid a reporting fee of \$100.00. The District agrees to forward the dues to IBEW.
- 43.15 If a temporary employee reports for work and the District determines that the referral does not meet the minimum qualifications, or is otherwise unsuited for the job, the District may release the services of the temporary hire who shall be paid four (4) hours minimum or \$100.00, whichever is greater.
- 43.16 The IBEW collective bargaining agreement shall apply to temporary employees to the extent it is not inconsistent with this Agreement or the intent of this Agreement.
