- 23.2** Notice of Disciplinary Action. The City shall provide the affected employee with written notice prior to taking disciplinary action, except where circumstances dictate the City taking immediate action to remove the employee from the work place. In such cases, written notice, as set forth below, shall be provided the employee within two (2) working days of the action.

In all cases, written notice of disciplinary action shall be served on the employee personally or by registered mail, return receipt, with a copy of the notice to be placed in the employee's personnel file. The written notice shall contain the following information:

Where immediate disciplinary action has been imposed, such action will not become final until the aforementioned notice has been provided no less than five (5) working days from the receipt of the notice to respond to the authority initially imposing the discipline.

Once the proposed disciplinary action has been imposed, the affected employee shall have the right to appeal. Such appeals shall be filed directly at the third step of the grievance procedure set forth in this Memorandum.

Probationary employees may be discharged for any reason which, in the sole opinion of the City, is just and sufficient.

XXIV. GRIEVANCE PROCEDURE

- 24.1** Definition of Grievance. A grievance shall be defined as any dispute which involves the interpretation or application of any provision of this Memorandum of Understanding during its term.

- 24.2** Steps in Grievance Procedure.

Step 1 – An employee who has a grievance may individually or through the shop steward bring it to the attention of his/her immediate supervisor/division head within thirty (30) calendar days of the occurrence of the act which is the basis of the dispute or the date the grievant reasonably became aware, or should have reasonably become aware, whichever date is later. If the employee and the immediate supervisor/division head are unable to resolve the grievance at this step within

IBEW MOU 2010-2014

five (5) working days of the date of the grievance is raised with the immediate supervisor, the employee shall have the right to submit a formal grievance as set forth in Step 2.

Step 2 – An employee dissatisfied with the decision of the immediate supervisor in Step 1, may submit the grievance in the manner provided below to his/her department head within seven (7) days from the date of the immediate supervisor's decision. If the supervising officer is the department head, the written grievance shall be submitted to the Assistant City Manager. The department head shall respond to the grievance, in writing, within seven (7) working days from the date of its receipt.

- a) The name of the grievant;
- b) The grievant's department and specific work site;
- c) The name of the grievant's immediate supervisor;
- d) A statement of the nature of the grievance including date and place of occurrence;
- e) The specific provision, policy or procedure alleged to have been violated;
- f) The remedies sought by the grievant;
- g) The name of the individual organization, if any, designated by the grievant to represent him/her in the processing of the grievance. However, in no event shall an employee organization other than the one which formally represents the position occupied by the grievant be designated as the grievant's representative.

Step 3 – If the employee is dissatisfied with the decision of the department head in Step 2, she/he may submit the grievance to the Assistant City Manager or other designated City official within ten (10) working days from receipt of the department head's response. The Assistant City Manager, or other designated City official, shall respond to the grievance in writing within ten (10) working days of its receipt. Within this period, the Assistant City Manager, at this discretion, may conduct an informal hearing involving the parties to the dispute.

Step 4 – If the grievance is not settled at Step 3, it shall be submitted to the State Conciliation Service for advisory arbitration. The representative of the Conciliation Service shall be selected by the parties from a panel of three (3) submitted by the State Conciliation Service and each party shall have the right to challenge one (1) name from the panel, first challenge to be determined by lot, and the remaining name shall be the advisory arbitrator. The decision of the arbitrator shall not be binding on either party but shall be advisory to the City Manager whose decision is considered final and binding.

- 24.3** Duty of the Arbitrator. Except when an agreed statement of facts is submitted by the parties, it shall be the duty of the arbitrator to hear and consider evidence submitted by the parties. The decision of the arbitrator shall be based solely on the interpretation of the appropriate provisions of the Memorandum of Understanding applicable to the grievance and the arbitrator shall not add to, subtract from, modify or disregard any of the terms or provisions of the agreement.

The provisions for arbitration are not intended and shall not be construed to empower an arbitrator to change any condition of employment, specifically covered by the Memorandum of Understanding or to revise, modify or alter, in any respect, any provision contained in the Memorandum.

- 24.4** Payment of Costs. Each party to a hearing before an arbitrator shall bear his/her own expenses in connection therewith. Either party shall have the right to a reporter's transcript of the hearing provided that this cost is borne by the party requesting. If the other party elects to utilize a copy of the transcript, the entire costs shall be divided equally. All fees and expenses of the arbitrator shall be borne one-half by the City and one-half by the grievant.

24.5 Effective of Failure of Timely Action. It is the desire of the parties that grievances should be resolved on their merits and not for failure to meet specified time periods. However, timely resolution of grievances is also desirous, therefore:

- a) Should an employee fail to file an appeal within the required time period, at Step 2, 3 or 4, the City will so notify the employee. If the employee fails to file an appeal within an additional five working days, the grievance will be considered abandoned.
- b) Should the City fail to respond to a grievance within the required time period, at any level, the union will so notify the appropriate supervisor/manager with a copy to the City Manager. If the City fails to respond to the grievance within an additional five working days, the grievance shall be considered resolved in favor of the employee, but will not have any precedent setting value. The time limits may be extended by mutual agreement between the representative of the employee organization and the representative of the City. (Amended 7/1/86)

XXV. SENIORITY

Seniority is defined as total length of continuous service with City. In determining an employee's seniority, the continuity of his/her service will be deemed to be broken by termination of employment by reason of: (1) resignation; (2) discharge for cause; (3) lay-off for more than one (1) year; (4) failure to return immediately on the expiration of a leave of absence or acceptance of other employment while on leave of absence, or (5) absence without pay, without notifying the City within five (5) work days, unless a leave of absence has been obtained. Continuity of service will not be broken and seniority will accrue when an employee: (1) is inducted, enlists or is called to active service in the Armed Forces of the United States, or service in the Merchant Marines, under any Act of Congress which provides that the employee is entitled to pre-employment rights; (2) is on duty with the National Guard, (3) is absent due to industrial injury, (4) is on leave of absence, (5) is on maternity leave and (6) is absent due to layoff for a period of less than a year. (Amended 7/1/00)

All original and promotional appointments shall be tentative and subject to a probationary period of not less than six (6) months of actual service from the date of probationary appointment or promotion and may be extended by the City Manager or Department Head for a period of not to exceed an additional six months. The City shall prepare and give copies of an evaluation report to each probationary employee after the 3rd and 5th months of each probationary period.

The probationary period of an employee who is granted a leave of absence, maternity or any other disability leave, shall be extended by the duration of the leave from the position for which probation is being served.

26.2 Rejection. The City Manager may terminate a probationary employee at any time during the probationary period without right of appeal in any manner and without recourse to the procedures provided in Section XXII-Grievance hereof, unless the employee alleges that the termination was due to discrimination prohibited by City, State or Federal Statutes or Regulations. If such discrimination is alleged, the appeal or grievance shall be decided solely on the basis of whether or not the termination was due to discrimination; and unless it is determined that there was

discrimination, the person or persons hearing the appeal or grievance shall not substitute their judgment for that of the appointing authority.

- 26.3** Promotional Probation. An employee who previously completed the requisite probationary period and who is rejected because of subsequent probationary period for a promotional appointment, shall be reinstated to the former position from which the employee was promoted, provided that this Subsection shall not be construed so as to prohibit the City from discharging any employee during a subsequent promotional probationary period for those reasons and causes set forth in Section XXI-Discipline, of the Memorandum of Understanding.
- 26.4** Promotional Transfers. Employees who transfer to new position shall be required to undergo a new probationary period in the position into which transferred.

XXVII. VACANCIES

- 27.1** The City will post all job announcements for vacant positions and accept applications from City employees. (Amended 7/1/00)
- a) If one or more applicants are determined to possess the minimum qualifications for the vacant position; the following procedure may be utilized:
- Option 1 the qualified employee with the greatest amount of seniority may be appointed to the position; or
- Option 2 a closed examination may be conducted. Applicants will be considered in order of their total score, provided however, if two candidates are determined to be relatively equally qualified, the employee with the greatest seniority will be given preference.
- b) If the department head determines that it is not in the best interest of the City to utilize either Option 1 or 2 above, he/she may request in writing that the City Manager begin an open competitive recruitment. Such written request will be sent to those employees who applied, the employees' union representative and the union. Either the union representative or individual applicants may submit to the City Manager, within five working days, a written response to the department head's memo. The City Manager will evaluate all data and, at his/her sole discretion, will make the determination to open or close the recruitment.
- c) If a determination is made to hold a closed recruitment, then provisions of Option 2 as stated above will apply.
- d) If a determination is made to hold an open, competitive recruitment, the City will appoint from the top five candidates. City services will be considered along with tests results.

XXVIII. DEMOTION AND LAYOFF

- 28.1** When it becomes necessary for the City to lay off regular employees, the City will give employees involved as much notice as possible, but in no event will such employees be given less than two (2) weeks' notice of layoff. When probationary employees are to be laid off, no notice of layoff is required. Layoff in all cases due to lack of work will be determined by an employee's seniority. An employee whose job is being eliminated may elect to displace an employee in a lower classification, if he/she is qualified to perform the duties of the lower classification, and if his/her seniority is greater than that of the employee in the lower classification.

IBEW MOU 2010-2014

XXXII. NO STRIKE

- 32.1** Continuous and uninterrupted service by the City and its employees to the citizens and orderly collective bargaining relations between the City and its employees being essential considerations of this Agreement, the Union agrees on behalf of itself and its members, individually and collectively, that there shall not be any strikes, picketing, boycotting, work stoppages, sit downs, or slow downs or a concerted refusal to render services at any time during the term of this Agreement.
- 32.2** Employees shall not be entitled to any benefits or wages whatsoever while they are engaged in a strike or work stoppage.

XXXIII. MANAGEMENT RIGHTS

- 33.1** The Management of the City and its business and the direction of its working forces are vested exclusively in the City, and this includes, but is not limited to, the following: to direct and supervise the work of its employees, to hire, promote, demote, transfer, suspend and discipline or discharge for just cause, to plan direct, and control operations, to lay off employees because of lack of work or for other legitimate reasons; to introduce new or improved methods or facilities, to maintain discipline and efficiency of employees, to establish and change production standards, determine the qualifications of employees; to regulate quality and quantity of production; and to determine the content of job descriptions, provided, however, that all of the foregoing shall be subject to the provisions of this Memorandum of Understanding. (Added 7/1/77)

IBEW MOU 2010-2014

33.2 In the interest of economy, job security, timeliness and quality control, all City departments will make every reasonable effort to use City employees for all work. The parties explicitly recognize the benefits of a productive, motivated City work force. The City may contract out work covered under this Agreement provided: (a) such contracting out of work will not cause a lay-off of employees covered under this Agreement, **or** (b) all of the following conditions are met:

1. The function or functions subject to being contracted out have been part of a gain sharing program agreed upon by the City and Union for at least twelve (12) months prior to the RFP; **and**
2. Notification has been given to the Union and the City's intent to submit a RFP at least thirty (30) days prior to submission of the RFP; **and**
3. The RFP is based upon prevailing wage rates for Sonoma County in the area of discipline for which the contract is to be let; **and**
4. If there are qualified bids that are at least 10% lower than the projected cost to the City of performing the functions in question with City employees, the affected employee or employees and the Union will be given six (6) months in which to reduce the projected cost to the City of performing the function in question with City employees to 110% of the qualified bid, while meeting all requirements of bid; **and**
5. If work is contracted out under this subsection, any employee who does not affect a displacement pursuant to Section 27.1 of this Agreement and is laid off will be paid a Severance Allowance in an amount equal to two weeks' pay for five to nine years of service; four weeks' pay for ten to fourteen years of service; six weeks' pay for fifteen years or more of service. (Added 7/1/95)

XXXIV. WAIVER AND FINALITY

The provisions set forth above are final, and no change or modification shall be offered, urged or otherwise presented by the International Brotherhood of Electrical Workers, Local 1245, prior to June 2013, provided, however, that nothing herein shall prevent the IBEW, Local 1245 and the City Manager from meeting and conferring and making modifications here by mutual consent. (Added 12/4/78, Amended 7/1/79 and 7/1/80)

XXXV. SEPARABILITY

In the event that any provision of this Memorandum of Understanding is declared by a Court of competent jurisdiction to be illegal or unenforceable that provision of this Memorandum of Understanding shall be null and void, but such nullification shall not affect any other provisions of this Memorandum of Understanding, all of which other provisions shall remain in full force and effect. (Added 12/4/78)
