AGREEMENT

This Agreement made and entered into this first day of July, 1953, by and between Pacific Gas and Electric Company, hereinafter referred to as Company, and Local Union No. 1245 of International Brotherhood of Electrical Workers, (affiliated with the American Federation of Labor-Congress of Industrial Organizations), hereinafter referred to as Union,

WITNESSETH that:

WHEREAS the parties hereto desire to facilitate the peaceful adjustment of differences that may from time to time arise between them, to promote harmony and efficiency to the end that Company, Union and the general public may benefit therefrom, and to establish wages, hours and working conditions for certain hereinafter designated employees of Company,

NOW, THEREFORE, the parties hereto do agree as follows:

TITLE 1. PREAMBLE

1.1 PRINCIPLES

The parties recognize that the free private enterprise system in the United States has produced the highest standard of living anywhere in the world, and they hereby confirm their adherence to, and belief in, that system. Further, the parties support the principles of collective bargaining and self-organization.

(Amended 1-1-09)

1.3 SECTION TITLES

Section Titles in this Agreement are for identification purposes only and are not to be used for the purpose of interpreting either the intent or the meaning of the language of any Section. (Added 1-1-80)

Any changes to contract language made as a result of the ratification of the Physical and Clerical Agreements effective on 1-1-88 and not changed in the contract language effective 1-1-88 were changed in the contract language effective 1-1-91. Changes made to the contract sections, effective 1-1-91 are not intended to change the context of the language other than to neutralize the gender. (Added 1-1-91)

Wherever the words "employee" and "employees" are used in this Agreement they shall, unless otherwise noted, be construed to refer only to the employees described in Section 2.1 for whom Union is the exclusive collective bargaining representative. The respective obligations of the parties herein shall be operative only insofar as Union acts in the capacity of exclusive collective bargaining representative of said employees.

2.3 SUCCESSOR (Added 1-1-00)

(a) (1) Any parent or affiliated company of the Pacific Gas and Electric Company that acquires any property or facility at which employees covered by this Agreement have regularly assigned jobs ("Affiliated Acquiring Entity") shall offer employment to all such covered employees, up to the number of such employees that the Affiliated Acquiring Entity determines are necessary to operate the property or facility, under the terms and conditions contained in this Agreement except as to those specific benefits that the Affiliated Acquiring Entity cannot offer. For such benefits, the Affiliated Acquiring Entity shall offer alternate benefits of comparable value and coverage.

Any employee covered by this Agreement with a regularly assigned job who receives an offer of equivalent employment from the Affiliated Acquiring Entity at the employee's current regular headquarters or a headquarters that is within 45 road miles or 60 minutes automotive travel time from the employee's current residence, or equal to the employee's current regular commute if the employee's current regular commute exceeds these limits, shall not be eligible to participate in the severance program described in Exhibit XIV (Severance) of this Agreement. (Added 6-1-03)

Any employee covered by this Agreement with a regularly assigned job who receives an offer of employment by the Affiliated Acquiring Entity shall remain eligible to participate in the Demotion and Layoff Procedure under Title 19 of this Agreement. (Added 6-1-03)

(a) (2) In addition to the obligation to offer employment as required in (a) (1) above, an Affiliated Acquiring Entity shall adopt this agreement or alternate terms and conditions of employment mutually acceptable to the Affiliated Acquiring Entity and Union.

(b) (1) An entity not affiliated with Pacific Gas and Electric Company that acquires any property or facility at which employees covered by this Agreement have regularly assigned jobs ("Non-affiliated Acquiring Entity") shall offer employment to covered employees, up to the number of such employees that the Non-affiliated Acquiring Entity determines are necessary to operate the property or facility, at the terms and conditions contained in this Agreement; except as to those specific benefits that the Non-affiliated Acquiring Entity cannot offer. For such benefits, the Non-affiliated Acquiring Entity shall offer alternate benefits of comparable value and coverage.

(b) (2) In addition to the obligation to offer employment as required in (b) (1) above, the Non-Affiliated Acquiring Entity shall maintain the same or comparable terms and conditions of employment applicable to covered employees hired by the Non-Affiliated Acquiring Entity for a period that is not less than the unexpired term of this Agreement that is in effect as of the date such employees are hired by the Non-Affiliated Acquiring Entity.

(c) This section shall only apply to an acquiring entity that intends to operate the property or facility in the same or substantially the same manner as the Pacific Gas and Electric Company operates the property or facility immediately prior to its acquisition.

(d) The Pacific Gas and Electric Company shall include the obligations set forth in sections (a) or (b) above in any transfer or sale agreement, as provided in section (a) or (b) above, with an acquiring entity of its

property or facility. For any property or facility that is subject to Public Utilities Code section 363, the obligations set forth in sections (a) or (b) shall commence at the end of the applicable operating and maintenance period. The only claim the Union may have against Company under this section is for the Company's failure to include in the transfer or sale agreement the obligation set forth in Section (a) or (b) above.

TITLE 3. CONTINUITY OF SERVICE

3.1 Company is engaged in rendering public utility services to the public, and Union and Company recognize that there is an obligation on each party for the continuous rendition and availability of such services.

3.2 The duties performed by employees of Company as part of their employment pertain to and are essential to the operation of a public utility and the welfare of the public dependent thereon. During the term of this Agreement employees shall not partially or totally abstain from the performance of their duties for Company *including to support a strike or labor action initiated by another union or a strike or labor action taken by a separate bargaining unit of the same union*. Union shall not call upon or authorize employees individually or collectively to engage in such activities and shall make a reasonable effort under the circumstances to dissuade employees from engaging in such activities, and Company shall not cause any lockout. (Amended 1-1-11)

3.3 Employees who are members of Union shall perform loyal and efficient work and service, and shall use their influence and best efforts to protect the properties of Company and its service to the public, and shall cooperate in promoting and advancing the welfare of Company and in preserving the continuity of its service to the public at all times.

3.4 Company and Union shall cooperate in promoting harmony and efficiency among Company employees.

TITLE 4. UNION SECURITY

4.1 AGENCY SHOP

(a) Thirty days after being employed, every employee covered by this Agreement shall, as a condition of employment: (1) become a member of the Union; or (2) in the alternative, an employee must tender a registration fee to the Union in such an amount as the Union may prescribe (but in no event to exceed the initiation fee required of Union members), and shall tender, monthly, an agency fee as established by the Union in an amount not to exceed the amount of the monthly dues and per capita fees required of BA members in their base wage rates; except that (Amended 1-1-91)

(b) Any employee of Company in a classification represented by Union and who, on December 1, 1970, was an employee and was not a member of the Union, and who remains an employee continuously after December 1, 1970, is exempt from the provisions of Subsection 4.1(a) unless he or she becomes a member of Union.

(c) Any non-bargaining unit employee who is placed in a classification represented by Union shall, as a condition of employment, within 30 days comply with the provisions of Subsection (a) above. (Section amended 1-1-80)

(d) Any bargaining unit employee who is temporarily placed in a non-bargaining unit classification shall continue to be subject to the provisions of Subsection (a) above, for the duration of such temporary assignment. (Added 1-1-91)

(e) Once each month, Company shall provide to Union a list of employees in bargaining unit classifications who did not tender dues or an agency fee to Union during the preceding 30 day period. (Added 1-1-91)

4.2 PAYMENT OF UNION DUES

Any employee who is or who becomes a member of Union shall, as a condition of employment, tender to the Union periodic dues uniformly required by Union as a condition of acquiring or retaining membership.

4.3 CHECKOFF OF DUES

Company shall deduct from wages and pay over to the proper officers of Union the membership dues of any member of Union or agency fees of any other employee as provided for in Subsection 4.1(a) who individually and voluntarily authorizes such deductions in writing. The form of checkoff authorization shall be approved by Company and Union. (Amended 1-1-83)

4.4 TERMINATION FOR NON-PAYMENT OF DUES

Upon written request from the Union, the Company shall, within 21 calendar days, terminate the employment of any employee who fails to comply with the requirements of this Title.

4.5 GRIEVANCES

If any dispute arises under the provisions of this Title it shall be referred directly to the appropriate Local Investigating Committee for determination under the grievance procedure provided for in this Agreement.

4.6 (Deleted 1-1-80)

TITLE 5. UNION ACTIVITY

5.1 BULLETIN BOARDS

Union may use one-half of Company's regular bulletin boards and Company shall designate by lettering thereon or otherwise the portion of each bulletin board which shall be reserved for use by Union. Company shall erect additional bulletin boards in any location where it may be found that existing bulletin boards are not adequate.

5.2 LIMITS ON USE OF BULLETIN BOARDS

Union's use of bulletin boards shall be limited to the posting thereon of official notices of meetings and similar matters relating to official Union business and its relationship with Company. Union shall not post thereon any matter derogatory to Company or to its customers.

5.3 NON-DISCRIMINATION

Company shall not discriminate against any employee because of membership in Union or activity on behalf of Union. (Amended 1-1-91)

5.4 REPRESENTATIVES OF UNION

At Union's request Company shall authorize any representative of Union to enter any Company properties on which employees represented by Union are employed. Such authorization shall be for the purpose of enabling such representative to transact Union business other than the solicitation of employees to join Union or the collection of dues, and it shall not be used in any manner which will interfere with the work of any employee.

5.5 CONFIDENTIAL INFORMATION

Union shall not require or request an employee to divulge to it or its representatives any matter concerning Company's operations or interests which Company regards as confidential.

5.6 NEW EMPLOYEE INFORMATION

Company's local Human Resources Representatives shall, notify the designated local Shop Steward or Representative of Union, in writing, of the reporting for duty of new bargaining unit employees within thirty days. Upon said notification, the parties may schedule necessary paid time (not to exceed one-half hour) and facilities for Union to provide orientation information regarding the obligations and benefits of Union membership. In addition, Company will include a one-page document, as submitted by Union, in the customary new employee orientation information package. Such document or discussion shall not include any matters derogatory to the Company and its customers. (Amended 1-1-91)

TITLE 6. LEAVE OF ABSENCE

6.1 ELIGIBILITY

"Leave of absence" without pay shall be granted to regular employees, under the conditions set forth in this Title for urgent or substantial personal reasons, provided that adequate arrangements can be made to take care of the employee's duties without undue interference, *or if required by law, undue hardship*, with the normal routine of work. A "leave" will not be granted if the purpose for which it is requested may lead to the employee's resignation. For the purpose of this Agreement the terms "leave of absence" and "leave" signify absence without pay for periods in excess of ten consecutive workdays. In the computation of the length of a "leave of absence" there shall not be included any time the employee is absent with pay. Absences without pay for ten consecutive workdays or less shall also be authorized under these provisions. (Amended 1-1-09)

In addition to the provisions of this Title, it is the intent of the parties to include leave benefits as mandated by State and Federal law, including both the California Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993. (Amended 1-1-94)

6.2 PERIODS OF LEAVE

(a) The Company may grant a "leave of absence" without pay to a regular employee for a period not in excess of six consecutive months. It may grant an additional "leave of absence" without pay to such employees if personal circumstances and service to the Company warrant the granting thereof *or as otherwise required by applicable law*. Except as provided in Sections 6.6 and 6.8, a "leave of absence" will not be granted which, together with the last "leave" or "leaves" granted, will exceed twelve consecutive months. (Amended 1-1-09)

(b) Child Care Leave: A regular employee who has become a parent by the birth or adoption of a child, or has become the legal guardian of a child shall be entitled to an unpaid "leave of absence" for a period not to exceed six consecutive months, without reference to urgent and substantial personal reasons to care for such newborn or adopted child. When an employee who was granted a leave for child care applies for reinstatement the employee will be returned to the employee's former classification and headquarters which the employee vacated. (Amended 1-1-91)

An employee shall be entitled to an additional "leave of absence" for a period not in excess of six consecutive months for child care with the understanding that the employee may return to work provided a vacancy exists in the classification and headquarters which the employee vacated, or in a classification lower thereto in the Line of Progression at such headquarters.

If a vacancy of this kind does not exist after the second six consecutive months, the employee's service shall be considered terminated. (Added 1-1-84)

6.3 COMMENCE AND END

A "leave" shall commence on and include the first workday on which the employee is absent without pay, and terminate with and include the workday preceding the day such employee returns to work. The conditions under which an employee shall be restored to employment on the termination of the employee's "leave of absence" shall be clearly stated on the form on which application for the "leave" is made. (Amended 1-1-91)

6.4 STATUS

An employee's status as a regular employee shall not be impaired by a "leave of absence."

6.5 TERMINATION OF SERVICE

If an employee fails to return immediately on the expiration of the employee's "leave of absence," or if such employee accepts other employment while on "leave," except as provided in Section 6.6, or makes application for unemployment benefits under the California Unemployment Insurance Act while on "leave," such employee shall thereby forfeit the "leave of absence," and terminate Service with Company. (Amended 1-1-91)

6.6 UNION LEAVE OF ABSENCE

Subject to the provisions of Section 6.1 Company shall at request of Union grant a "leave of absence" without pay to any employee for the purpose of engaging in Union business. Such "leave" shall be for a period or periods not to exceed a total of 72 consecutive months. An employee who has returned to work for Company following an absence on "leave" for Union business in excess of six months shall not be granted another such "leave" until such employee has worked for a period equivalent to the time of the last continuous absence on "leave" for Union business. (Amended 1-1-09)

6.7 RETURN FROM UNION LEAVE OF ABSENCE

Unless an employee who is on "leave of absence" for Union business notifies Company that he/she will return to work at the end of the first six months of such absence, such employee's job shall be considered as vacant, and Company may fill it as provided in Title 18. When such employee returns to employment after an absence in excess of six months, such employee shall be employed in his/her former Bidding Unit or Department and former classification subject to the following:

(a) Such employee may elect to displace another employee, or, if Company offers an assignment to a job vacancy on which another employee with longer Service does not have a prebid, the employee may elect to accept it.

(b) If such employee accepts such assignment, the location of such job shall thereupon become the regular headquarters. If there is no vacancy to which the employee can be assigned or elects not to accept an assignment to an existing job vacancy, placement in the Company shall be governed by Title 19.

(c) If the employee elects to displace another employee, he/she shall displace that employee in his/her former Bidding Unit or Department and classification who entered such classification during the period of the "leave of absence" and who has the least Service. If such displacement cannot be effected, the employee shall displace that employee in such Bidding Unit or Department and classification who has the least Service, except that the employee may not displace an employee whose Service is equal to or exceeds his/her own. If the last mentioned displacement cannot be effected, placement in the Company shall be governed by Title 19, and the job headquarters shall be the same as it was when the "leave of absence" was granted.

(Entire Section Amended 1-1-91)

6.8 MILITARY LEAVE OF ABSENCE

An employee who leaves employment with Company to enter the military service or other service where reemployment rights are protected by law will be granted a "leave of absence" under the provisions of Sections 6.1

to 6.5, inclusive. Upon qualifying for reemployment under any such law, and being reemployed the employee will be granted a further retroactive "leave of absence" to cover the balance of the absence. (Amended 1-1-91)

Eligible employees who engage in military service or who are eligible family members of military personnel are entitled to time off consistent with federal and state law. (Added 1-1-09)

6.9 FUNERAL LEAVE

(a) A regular employee will be granted *up to three days off with pay if a member of the immediate family dies*. Unused vacation or floating holidays may be granted to extend an employee's funeral leave beyond the three days provided for above or personal time off without pay for the time needed will be granted. The immediate family shall be limited to: an employee's spouse *or employee's registered domestic partner*, parent, grandparent, grandparent-in-law *or grandparent of employee's registered domestic partner*, parent-in-law *or parent of employee's registered domestic partner*, child *or child of employee's registered domestic partner*, grandchild, son-in-law, daughter-in-law, stepchild, brothers, sisters, half-brothers and half-sisters, *step-brothers, step-sisters*, foster parents, step-parents, aunts, uncles, or an individual who was a member of the employee's immediate household at the time of death. (Amended 1-1-09 and 1-1-11)

(b) Consistent with the Company's operational needs, a regular employee may be granted the time off with pay necessary to attend the funerals of other persons the employee may be reasonably deemed to owe respect, but not to exceed one day.

(c) Employees who have not attained regular status will be allowed time off without pay as provided for in (a) and (b) above.

6.10 JURY DUTY

Employees who are summoned to serve on a grand jury, trial jury, or a jury of inquest will be granted the necessary time off for this purpose under the following conditions:

(a) Regular employees will be allowed the necessary time off with pay for jury duty which occurs within their scheduled working hours during the basic workweek. Such employees assigned to a third shift shall be rescheduled to a first shift during such a period of time at the straight rate of pay, and such employees assigned to a second shift who are required to report to the jury commissioner on a second consecutive workday or more shall be rescheduled to a first shift on a Monday-Friday basic workweek during such a period of time at the straight rate of pay. Such employees will be paid at their basic rate of pay. In the application of other provisions of this Agreement, such time off with pay for jury duty will be considered as time worked and, if dismissed by the court on any workday before the end of the employee's regular work hours, such employee shall return to work provided such dismissal occurs at least two hours before the conclusion of such hours of work. (Amended 1-1-88)

(b) Employees who have not attained regular status will be allowed time off without pay subject to the other provisions of (a) above.

(c) Employees shall advise their supervisor on the workday following receipt of notice that they are required to report for jury duty service. The employee may be required to provide receipt of such notice to their supervisor. (Amended 1-1-88)

6.11 WITNESSES

Regular employees will be given the necessary time off to appear as a witness in administrative, civil or criminal cases under the following conditions:

(a) Employees who are required to appear as witnesses on behalf of Company will be treated with respect to the provisions of this Agreement as though they were employed in their customary work.

(b) Employees who are subpoenaed to appear in litigation in which Company has no interest and is not a party, but nonetheless involves an employee's presence as to matters arising out of and in the course of their employment with Company will be paid at their regular straight-time rate of pay for the time required to appear or testify (but not more than eight hours in any one normal workday), less any remuneration they are entitled to by law except that travel and other expenses for which they are reimbursed which are not subject to income tax will not be included when computing such remuneration.

(c) Following dismissal of the employee-witness by the court or administrative agency on any workday before the end of the employee's regular work hours, the employee shall return to work provided such dismissal occurs at least two hours before the conclusion of such hours of work. (b) Total such annual sick leave accrual for the eight years involved.

(c) If such total is 320 hours or more, the employee shall be qualified for the additional allowance.

An employee who returns to active payroll at a rate of pay calculated as in (3) above shall be limited to 50 percent of any general wage increase until such time as the partially disabled employee is receiving a rate of pay equal to the rate of the classification to which such employee is assigned. In no case will a partially disabled employee who is placed on the active payroll be paid less than 110 percent of such employee's current LTD rate of pay. (Added 1-1-83)

Where more than one employee in a headquarters or group desires to divide vacation into two or more periods on a sign-up schedule, there shall be subsequent sign-ups as required for selection of open periods not filled by the previous sign-up. TITLE 9. GRIEVANCE PROCEDURE

9.1 STATEMENT OF INTENT - NOTICE

The provisions of this Title have been amended and supplemented from time to time. Company and Union have now revised and consolidated this Title in its entirety to provide a concise procedure for the resolution of disputes.

It is the intent of both Company and Union that the processing of disputes through the grievance procedure will give meaning and content to the Collective Bargaining Agreement.

The parties are in agreement with the policy expressed in the body of our nation's labor laws that the mutual resolution of disputes through a collectively bargained grievance procedure is the hallmark of competent industrial self-government. Therefore, apart from those matters that the parties have specifically excluded by way of Section 9.2, all disagreements shall be resolved within the scope of the grievance procedure.

Union agrees to provide grievant(s) with a copy of any settlement reached at the grievant's last known address. Such copy shall be sent by certified, U.S. mail, or handed to the grievant, within 30 calendar days of the signing of the settlement.

9.2 GRIEVANCE SUBJECTS

Disputes involving the following enumerated subjects shall be determined by the grievance procedures established herein:

- (a) Interpretation or application of any of the terms of this Agreement, including exhibits thereto, letters of agreement, and formal interpretations and clarifications executed by Company and Union.
- (b) Discharge, demotion, suspension or discipline of any individual employee.
- (c) Disputes as to whether a matter is proper subject for the grievance procedure.

9.3 TIME LIMITS

(a) Filing

It is the intent of Company, Union and the employees that timely filed grievances shall be settled promptly. (i) A local grievance is timely filed when submitted by the Union Business Representative or his/her alternate (hereinafter either is referred to as "Business Representative") in writing on the form adopted for such purpose to the *designated electronic mailbox in the Labor Relations Department* or *alternatively, to a "Sr. Labor Specialist"*; or (ii) a Business Manager grievance is timely filed when submitted by Union's Business Manager to Company's *Labor Relations Director* (iii) within the following time periods: (Amended 1-1-09)

(1) A grievance which involves the discharge of an employee must be filed not later than 14 calendar days after the employee is notified in writing of the discharge. Whether or not a grievance is filed, Company shall, at Union's request, state in writing the reasons therefore within two workdays of such request. (Amended 1-1-91)

(2) A grievance which does not involve the grievant's discharge must be filed not later than 30 calendar days after the date of the action complained of, or the date the employee became aware of the incident which is the basis for the grievance, whichever is later. The Company shall, at Union's request, state in writing the reason for an employee's discipline, demotion or suspension within seven calendar days of receipt of such request by Union.

(3) Business Manager grievances which may be filed pursuant to (a)(ii) above shall concern contractual interpretation matters which have system-wide or classification wide implications. Business Manager grievances shall not involve an employee's discharge, demotion, discipline, promotion, demotion or transfer. (Added 1-1-00)

The time limits set forth above for filing a grievance are absolute and may not be waived or extended. Failure to meet the time limits set forth above will have the same effect as the dismissal of a timely filed grievance concerning that incident with prejudice.

(b) Steps One Through Five Extension of Time Limits

Either the Company or Union members of any of the Committees provided for in each of the following grievance Steps One through Five may, if they agree that further determination of fact is required, request an extension of time which may be granted by the other. In no event shall any extension by either or both parties exceed one additional time period provided for at the step where the extension is granted.

9.4 FINALITY

The resolution of a timely grievance at any of the steps provided herein shall be final and binding on the Company, Union and the grievant. A resolution at a step below Step *Four*, while final and binding, is without prejudice to the position of either party, unless mutually agreed to otherwise. (Amended 1-1-09)

(a) If an employee has been demoted, disciplined or dismissed from Company's service for alleged violations of a Company rule, practice or policy and Company finds upon investigation that such employee did not violate a Company rule, practice or policy as alleged, Company shall reinstate the employee and pay the employee for all time and benefits lost thereby plus interest on such reinstated pay in the amount of 7 1/2 percent annum.

(b) In the event of a "continuing grievance" as set forth in Section 9.9 and Attachment A, a retroactive wage adjustment shall be made as provided therein.

(c) Provided further that nothing contained herein shall restrict or inhibit the parties or the Board of Arbitration from reducing the amount of a retroactive wage adjustment to an otherwise successful grievant where, in their absolute discretion, the equities of the situation do not call for the employee to receive a full retroactive wage adjustment.

9.5 ADJUSTMENTS

Company will make a reasonable effort to effectuate remedies provided for in a grievance settlement within 30 calendar days of such settlement.

9.6 STEPS

STEP ONE SHOP STEWARDS

Except for disputes involving an employee's discharge, demotion, suspension, discipline or qualifications for promotion or transfer, the initial step in the adjustment of a grievance shall be a discussion between Union's shop steward (or grievant or Business Representative if no shop steward is assigned to the work area) and the foreman or other immediate supervisor directly involved. The foreman and shop steward may discuss the grievance with the general foreman or other supervisor of corresponding authority. The purpose of such discussion shall be to reach a satisfactory disposition of the grievance but shall not waive or delay the filing requirements set forth in Section 9.3 above. Discussions shall be at such time and place as not to interfere with the work then in progress. (Amended 1-1-91)

Shop stewards shall be employees of Company, and Union may designate as many shop stewards as it deems necessary for the proper administration of its affairs and for the administration of the provisions of this Agreement.

STEP TWO LOCAL INVESTIGATING COMMITTEE

Immediately following the filing of a timely grievance, a Local Investigating Committee will be established. The Committee will be composed of the Human Resources Advisor, the Business Representative, the exempt supervisor whose decision is involved in the grievance, and the shop steward representing the department involved. (Amended 1-1-00)

(1) The Human Resources Advisor and Business Representative will arrange for meetings of the Committee at times and places convenient for the persons involved. (Amended 1-1-00)

(2) The Committee shall meet as soon as reasonably possible and shall make a full and complete investigation of all of the factors pertinent to the grievance. If necessary to gain all of the information required to resolve the grievance, the Committee may hold investigative interviews with other persons involved in the dispute. Except for good cause to the contrary, the grievant shall be permitted to be present during these interviews. The grievant will not be a party to the disposition of the grievance, nor is the grievant's concurrence required for the Committee to reach a settlement of the grievance. Grievant, however, does have the right to point out the existence of other facts or witnesses favorable to grievant's case.

Notwithstanding the foregoing prohibition, with the written consent of the Union's Business Manager, or designee, the members of the Local Investigating Committee may include the grievant where such employee is also the shop steward representing the department involved in the grievance. In this limited situation, the shop steward/grievant may be a party to the disposition of the grievance. (Amended 1-1-91)

(3) (a) Within 30 calendar days following the filing of a grievance which does not concern an employee's qualifications for promotion or transfer (except as provided in the next paragraph for Inter-regional or General Office Departmental prebids or transfer applications), or the employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings, which shall include: (i) a mutually agreed-to brief narration of all the events and factors involved in the dispute, and (ii) the Committee's mutually agreed-to findings with respect thereto. If the Committee has reached an agreeable disposition of the grievance, the report shall also contain a statement to that effect and the reasons therefore. (Amended 1-1-88)

Inter-regional or General Office Departmental prebids or transfer applications shall be subject to the further limitation, however, that the report of the employee's present Regional or General Office Departmental Local Investigating Committee shall be forwarded within 15 calendar days from the date a report was requested by the

bypassing Region or General Office Department and further, the latter Committee must dispose of the grievance, in the manner described above, no later than 15 calendar days thereafter. (Amended 1-1-88)

If the grievance is not resolved in 30 calendar days following its being timely filed, either Company or Union may request "Certification to Fact Finding" for a local grievance or referral to the Review Committee for a Business Manager's Grievance. (Amended 1-1-00)

The referral in either event shall be accompanied by the report referred to above. The referral shall also include either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance.

If either party requests "Certification to Fact Finding," copies of the report and the request shall be forwarded to the Chairman and the Secretary of the Review Committee. If the request is not received within the seven calendar days following the expiration of time limits stated for resolution by the Local Investigating Committee, the grievance will be automatically referred to Fact Finding. Business Manager Grievances not resolved by the LIC within the time limits in Step Two (3) (a) will be automatically referred to the Review Committee. (Amended 1-1-00)

(3) (b) Within 15 calendar days following the filing of a grievance which does concern an employee's qualifications for promotion or transfer (except as provided above for Inter-regional or General Office Departmental prebids or transfer applications), or an employee's demotion, suspension or termination of employment, the Local Investigating Committee shall prepare a report of its findings as set forth in Subsection (a) above.

If such grievance is not resolved in 15 calendar days following its being timely filed, the grievance must be referred to and accepted by the Fact Finding Committee. The referral shall also include the report referred to above and either an agreed-to summary or separate summaries of the reasons (facts or factors in dispute) why the Local Investigating Committee could not resolve the grievance. (Amended 1-1-88)

STEP THREE FACT FINDING COMMITTEE

The Fact Finding Committee shall be composed of the Chairman of the Review Committee or his/her designee, the Secretary of the Review Committee or his/her designee, and the Human Resources Advisor and the Business Representative involved in the preceding step. (Amended 1-1-00)

The Fact Finding Committee shall hold hearings or meet at such places and times as it deems necessary to resolve the grievance. If the grievance is resolved by the Fact Finding Committee before the expiration of the 30 calendar days following the date of referral from the preceding step, the Committee shall issue an agreed-to "Memorandum of Disposition," copies of which shall be distributed to each member of the Committee and to the grievant, and such others as the Committee determines.

If the Fact Finding Committee has not settled the grievance within 30 calendar days following receipt of or acceptance of certification, it may, by mutual agreement of the Secretary and Chairman, be:

- (1) referred to arbitration; or
- (2) referred to the Region or General Office Department Joint Grievance Committee; or
- (3) referred back to the Local Investigating Committee for further information and/or instructions as to the grounds for settlement; or

If none of the foregoing can be mutually agreed to, the complete grievance file shall be referred to the Review Committee. (Amended 1-1-88)

REGIONAL OR GENERAL OFFICE DEPARTMENT JOINT GRIEVANCE COMMITTEE (Deleted 1-1-00)

STEP FOUR (Title Amended 1-1-00) REVIEW COMMITTEE

The Review Committee shall consist of four representatives designated by Company's Director of Labor Relations, one of whom shall serve as Chairman of the Committee, and four representatives designated by the Union, one of whom shall serve as Secretary of the Committee. Company will not assume payment of any expense or lost time incurred by Union members of the Review Committee. (Amended 1-1-09)

The Chairman of the Committee shall maintain an agenda of the current cases referred to the Committee. So long as there are cases pending on the agenda, the Committee shall meet at least once each calendar month. These monthly meetings shall be scheduled for the fourth Thursday of each month unless the Chairman and Secretary agree to meet more often.

A. PRE-REVIEW COMMITTEE PROCEDURE

After the *Labor Relations Department* receives a Business Manager's Grievance or the file from the Local Investigating Committee, or Fact Finding Committee as provided for in the foregoing, four copies shall be submitted to the Union's Business Office. Thereafter, and prior to docketing, the Chairman and the Secretary of the Review Committee shall meet at a mutually agreeable time and place for the following purposes: (Amended 1-1-09)

(i) To allow Company to indicate whether or not it will implement the correction asked for. In the event Company takes such action, the grievance will, upon agreement of Union, be considered closed; or

(ii) To allow Union to indicate whether or not it will summarily reject the grievance. In the event Union takes such action, the grievance will, upon agreement of Company, be considered closed; or

(iii) To determine whether or not the file forwarded for review contains sufficient facts to enable the Review Committee to formulate a decision. In the event it is determined the file is incomplete, it shall forthwith, and prior to docketing, be returned to the source of referral for correction or supplementation.

(iv) To number and docket cases not disposed of by subparagraphs (i), (ii) and (iii) above; and

(v) To prepare a statement of issues and to endeavor to reach a preliminary understanding of grounds for settlement.

(vi) To appoint a Local Investigating Committee to investigate and prepare a Joint Statement of Facts for Business Manager Grievances. (Added 1-1-00)

B. REVIEW COMMITTEE PROCEDURE

After the Pre-Review Committee meeting, referrals not disposed of shall automatically be added to the Review Committee Agenda.

(i) Cases for which preliminary grounds for settlement have been reached in the Pre-Review Committee meeting shall have priority over other cases. The parties shall, as expeditiously as possible, determine whether the preliminary grounds are dispositive of the matter. In the event it is not, the matter shall be treated in the same manner as any other referral.

(ii) Other referrals - Within 30 calendar days of docketing a grievance, the Company shall submit, in writing, a "Preliminary Disposition" of all new cases placed on the Agenda. Company may have a continuance for an additional 30 calendar days or until the next Review Committee meeting, whichever is later, to submit such Preliminary Disposition.

(iii) After receipt of the Preliminary Disposition, Union shall have 30 calendar days or until the next scheduled Review Committee meeting, whichever is later, to submit to the Company a "Counter-Preliminary Disposition."

(iv) After receipt of Union's "Counter-Preliminary Disposition," a matter may, at the option of either party, be set over to the next scheduled Committee meeting if, in the view of either party, compromise or settlement appears possible. Within 30 calendar days thereafter or at the conclusion of the next scheduled meeting, whichever occurs later, the matter must be disposed of by mutual agreement, in writing, by one of the following methods:

(1) Settlement.

(2) Acceptance of Company's "Preliminary Disposition."

(3) Acceptance of Union's "Counter-Preliminary Disposition."

(4) Close the Review Committee file and remove it from its Agenda by notifying the Company's Director of *Labor Relations* and the Union's Business Manager that the case is "suspended." Following such notice, the Union's Business Manager and Company's Manager of *Labor Relations* shall, within 15 calendar days, meet for the purpose of proposing an interim consultative disposition of the issues involved or, at their option, refer the case to an Ad Hoc Negotiating Committee as provided for pursuant to the provisions of Title 24. (Amended 1-1-09)

If a matter so suspended has not been referred to an Ad Hoc Negotiating Committee for interim negotiations within 15 calendar days of the receipt of the case from the Review Committee and, provided further, if no other disposition is made within that time period, the case may, within five calendar days of the expiration of said 15 calendar days, be filed for arbitration pursuant to the applicable provisions of the applicable Labor Agreement then in effect between the parties. If not filed for arbitration or if the 15-calendar-day limits are not waived as provided for hereafter, or if the grievance has not been withdrawn, the grievance shall be considered finally settled without prejudice.

If Ad Hoc Negotiations are agreed upon within the time periods provided, the Committee will meet and confer at the earliest date that can be arranged between them. The Committee will meet thereafter as often as both parties deem necessary to effect an early disposition of the issues involved. The Committee is empowered to render a final, binding disposition of the case. Such decision will be reduced to writing, signed by both Union and Company, and distributed by each to Union members and Company's management as each deems necessary to effectuate the decision.

If an Ad Hoc Negotiating Committee is unable to reach a disposition of the "suspended" case within 180 days of the date the case was suspended, and if within that period of time neither party has notified the other in writing of their intent to submit said case to arbitration, then at the expiration of said 180 days, the case shall be automatically closed without prejudice, unless there is mutual agreement that the case be terminated by other means.

While "suspended," the preliminary disposition proposed by either party may, upon mutual agreement of the parties, be placed into effect anywhere without prejudice to either party. If both have submitted preliminary dispositions that provide for different methods of resolving the issues, either or both may, by mutual agreement, be put into effect for the purpose of determining which, if either, is mutually acceptable to the parties as a solution.

To provide a favorable atmosphere for negotiating a settlement of the issue referred to an Ad Hoc Negotiating Committee and to encourage the trial of preliminary dispositions proposed by either Company or Union, the period of "suspension" will insulate Company from additional monetary liability, if that is involved in the case, in the following manner: The Ad Hoc Negotiating Committee is empowered to mutually determine in an appropriate case, the amount of retroactive wage adjustment which will accompany its disposition of the case. In no event, however, will such period of retroactive wage adjustment exceed the period of time beginning with the date the grievance was originally filed and ending with the 30th calendar day following the date the Union notifies Company of their election to "suspend."

The period of suspension shall end, and the insulation of Company of further liability shall cease whenever either party notifies the other of its desire to submit the case to arbitration.

(5) Referral to arbitration.

(6) Withdrawal of the grievance by Union without prejudice.

(v) Unless the parties mutually agree in writing to the waiver of the applicable time limitation in any specific instance, the failure to strictly comply with the time limits provided above shall result in:

(1) Granting, at the option of the Union, of the correction sought by the grievance if Company does not submit its "Preliminary Disposition" within the time limits set forth in Item (ii) of this Part B, or

(2) The closure of the case without adjustment and without prejudice.

(vi) Either party may request a Review Committee hearing. Such hearing will be scheduled at the earliest time possible, but shall not delay or extend the running of time limits set forth in Part B of this Procedure.

STEP FIVE (Title Amended 1-1-00) ARBITRATION

A. TRIPARTITE BOARD

Either Company or Union may request, within the time limits provided in the foregoing steps, that a grievance which is not settled at one of the steps provided above be submitted to arbitration.

An Arbitration Board shall be appointed on each occasion that a grievance is timely submitted to arbitration pursuant to the foregoing provisions of this Title. The board shall be composed of two members appointed by Company, two members appointed by Union, and a fifth member appointed pursuant to the procedure set forth in the following Subsection B. Such fifth member shall act as Chairman of the Arbitration Board and conduct hearings and render a decision in accordance with the appropriate Submission Agreement.

B. SELECTION PROCEDURE

The parties to an arbitration proceeding will make a good faith effort to mutually agree to the selection of the Chairman. If they cannot, each party shall nominate two candidates from the panel established by Company and Union, Subsection C. If the parties are still unable to agree upon the selection of a Chairman, then the Chairman shall be chosen by lot from the panel names submitted.

C. PANEL OF ARBITRATORS

A panel of not more than ten arbitrators shall be established and renewed annually by the Company and the Union on January 1 of that year. Each party shall have the right to name five panelists who will remain on the panel during the calendar year.

9.7 INDIVIDUAL DISPUTE ADJUSTMENT

Pursuant to the provisions of Subsection 9(a) of the Labor Management Relations Act of 1949, as last amended, no provision of this Title shall be construed to restrict or prohibit an individual employee or group of employees from presenting disputes to Company and to have such disputes adjusted without the intervention of

Union, provided that the adjustment shall not be inconsistent with the terms of this Agreement, and that Union shall be given an opportunity to be present at such adjustment. (Amended 1-1-91)

An employee's election under this Section shall not preclude the employee's later consenting to Union's filing a grievance on his/her behalf if the employee is not satisfied with the results. Such grievance, however, must be filed within the time limits provided in Section 9.3, and such time limits are not delayed or suspended by the grievant's original choice to pursue the dispute without Union's intervention. (Amended 1-1-91)

Unless the employee consents to Union's later filing of a timely grievance, the procedures and grievance "steps" set forth in the foregoing Sections of this Title are not available to the employee.

9.8 ENABLING CLAUSE

By written agreement between Company and Union, other provisions may be substituted for or added to the provisions of this Title.

9.9 ATTACHMENTS

In addition to the provisions of Section 20.1, the Benefit Agreements, Training Agreements, and other special agreements that may be executed from time to time under Section 9.8, the provisions of this Title shall also include the following attachment which is set out elsewhere in this Agreement.

(a) Continuing Grievances

(Entire Title Amended 1-1-80)

Attachment A

LABOR AGREEMENT INTERPRETATION

SUBJECT: Retroactive Wage Adjustment - Continuing Grievances

SECTION 102.2 - Physical Agreement
SECTION 9.2 - Clerical Agreement

For the purpose of determining the extent of a retroactive wage adjustment resulting from the submission of a continuing grievance timely filed under the applicable provisions of Section 102.2 or 9.2, the following procedure will be observed. For this purpose, a "continuing grievance" is defined as a continuing course of conduct allegedly in violation of the Labor Agreement as opposed to a single isolated and completed transaction.

1. The period of retroactive wage adjustment shall not exceed thirty (30) calendar days prior to the date of filing such grievance in writing in the form and manner prescribed by Section 102.2 or 9.2, whichever is applicable, unless

2. It can be established that sometime prior to filing the grievance, as provided above, the grievant requested his or her supervisor to make the same correction, during the period of that continuing course of conduct, and a supervisor of grievant, who is authorized to make the correction, had declined to do so. The period of retroactive wage adjustment in this case (or an adjustment made pursuant to the provisions of Section 102.7 or 9.7) shall commence with the date it can be established that grievant made such request. In either event, however, if the request was made within thirty (30) calendar days of the day the alleged violation first occurred, the adjustment shall commence with the first day the violation occurred.

It is further understood and agreed that this interpretation shall in no way limit Company's right to make further wage adjustments which result from unintentional or inadvertent errors which are not alleged to be a matter of law or interpretation of the Labor Agreements.

TITLE 11. PREMIUM PAY

11.1 SHIFT DEFINITIONS

All eight hour work periods regularly scheduled to begin at 4:00 a.m. or thereafter but before 12:00 o'clock noon shall be designated as first shifts. An hourly premium of 4 1/2 percent of the weighted average straight-time rate of all employees represented by Union (rounded to the nearest full cent per hour) shall be paid for work performed in the second shift, and an hourly premium of 9 percent of the weighted average straight-time rate of all employees represented by Union (rounded to the nearest full cent per hour) shall be paid for work performed in the third shift. An employee will be paid the shift premium, if any, in effect for such employee's regular work hours for work performed on a regular workday where all work performed is contiguous with regular work hours. An employee will be paid the shift premium, if any, in effect for the shift in progress at the time such employee reports for work (exclusive of travel time) when work is performed on a regular workday where such work is not contiguous with regular work hours. An employee will be paid the shift premium, if any, in effect for time worked on such employee's non-workday based on the shift in progress at the time the employee starts work (exclusive of travel time). (Amended 1-1-91)

(b) The weighted average straight-time rate referred to in Subsection (a) hereof shall be calculated annually by adding any general wage increase effective on January 1 to the computed weighted average straight-time rate as of the *October 31* immediately prior, except as provided for in (c) below. The effective date of any change in shift premium shall be January 1. (Amended 1-1-11)

(c) When all employees represented by Union are not granted equal increases, or where the effective date is not the same, the calculation shall be computed by adding the appropriate general wage increase to the appropriate group's weekly payroll of the month immediately prior to the effective date of the general wage increase and adding the totals of the groups together to ascertain the total weekly payroll of the groups of employees represented by the Union. The sum of those amounts should be divided by the total number of employees represented by the Union and divided by 40. (Added 1-1-91)

11.5 PART-TIME EMPLOYEES

Shift premiums shall not be payable for work performed by part-time employees (as that term is defined in Section 17.6) who work less than 8 hours per day.

11.6 DISCLAIMER

Nothing contained in Sections 11.1 to 11.5, inclusive, shall be construed to modify or supersede any other provisions of this Agreement with respect to hours of work, rates of pay, and working conditions.

11.7 SUNDAY PREMIUM

In addition to any other compensation due an employee, Company shall pay to all employees regularly scheduled to work on Sunday, and who in fact work on a Sunday, an hourly premium for such work equal to the premium paid by Company for the third shift as provided in Subsection 11.2(a) of the Agreement. (Added 1-1-80)

TITLE 12. OVERTIME

12.1 DEFINITION

Overtime is defined as (a) time worked in excess of 40 hours in a workweek, (b) time worked in excess of eight hours on a workday, (c) time worked on a non-workday, (d) time worked on a holiday as provided for in Title 14 and (e) time worked outside of regular work hours on a workday. Company shall not be required to pay overtime compensation more than once for any single period of time worked. Overtime shall be cumulated each day and shall be compensated to the nearest 1/4 hour.

12.2 RATE AND DOUBLE-TIME CONDITIONS

(a) In general, overtime compensation at the rate of one and one-half times the straight rate of pay shall be paid to employees for overtime as defined in Items (a), (b), (c), (d) and (e) of Section 12.1; except that

(1) The Company shall not be required to pay overtime compensation to a full-time employee who is off without pay on a regularly scheduled workday until the employee completes 8 hours at the straight time rate of pay or during the workweek until the employee completes 40 hours at the straight time rate of pay. (Added 1-1-11)

(2) The Company shall not be required to pay overtime compensation to a part-time employee who is off without pay during their regularly scheduled work hours or off work without pay during the workweek (except the scheduled day off [SDO]) until the employee completes 8 hours at the straight time rate of pay on a workday or 40 hours at the straight time rate of pay during a workweek. (Added 1-1-11)

The exceptions in 12.2(a1) and Section 12.2(a2) above shall not include (a) when employees take time off with permission without pay known as T-Time; (b) holidays when a probationary employee does not receive pay; (c) Hiring Hall employees; (d) time worked before the start of the employee's scheduled hours of work; or (e) mandatory overtime situations. (Amended 1-1-11)

(b) the time worked in excess of 12 consecutive hours and continuing until the employee is dismissed from such work shall be paid at the rate of two times the employee's straight rate of pay, or

(c) if, following an employee's dismissal from work or on an employee's non-workday or holiday which the employee is scheduled to have off, the employee is called out for work, the employee shall be paid at two times the employee's straight rate of pay for all work performed outside the employee's regular work hours or on a non-workday or holiday which the employee is scheduled to have off. (Amended 1-1-88)

(d) The time worked in excess of eight hours on the employee's second of two scheduled days off counting from the basic workweek shall be paid at the rate of two times the employee's straight rate of pay provided such employee has performed work on the first scheduled day off. Employees scheduled to have four consecutive days shall be entitled, in addition to the above, to pay at the rate of two times the employee's straight rate of pay for the time worked in excess of eight hours on the fourth scheduled day off, provided that such employee has also performed work on the third scheduled day off. *For employees on an alternative work schedule: If an employee performs work on any non-workday, the employee will receive double time after eight hours worked on the next day, provided that day is also a non-workday. Double-time after eight hours worked will continue until such time as the employee performs no work on a non-workday or a regular workday occurs. (Amended 1-1-11)*

(e) For purposes of this Section, an employee's "regular hours of work" shall be the same on a non-workday as those regularly scheduled for such employee on a workday.

(f) *Holidays will be paid in accordance with Section 14.7. (Added 1-1-11)*

12.3 EQUAL DISTRIBUTION

(a) Prearranged and emergency overtime work shall be distributed among employees within a department, *classification and headquarters* as equally as practicable. The Company will post the overtime worked or credited as worked for each person for that week. The method for practicable equalization of prearranged and emergency overtime should be developed at each location by agreement between Company and Union. Such procedure should be in writing and signed by both parties. Whether procedures are developed or not, it is incumbent on Company to comply with the provisions of this Subsection concerning equal distribution. Where an imbalance cannot be justified, paying the aggrieved employee(s) is an appropriate remedy after the end of the accounting period, although this does not preclude other local agreements. (Amended 1-1-11)

(b) An employee who is scheduled to be off on vacation shall not be scheduled for work under this Section for the period between the end of the employee's last regular day of work preceding the employee's vacation and the start of the employee's first regular day of work following the vacation. An employee who is off due to illness or injury shall not be scheduled for work under this Section until the employee returns to work on a regular workday.

12.4 TRAVEL TIME - EMERGENCY

Employees who are called from their homes for emergency work on their non-workdays or on holidays which they are entitled to have off, or outside of their regular work hours on workdays shall be paid overtime compensation for the actual work time and travel time in connection therewith. (Amended 1-1-88)

12.5 TRAVEL TIME - CALL OUT BEFORE WORK HOURS

If an employee, who is called out for emergency work outside of such employee's regular work hours on a workday, continues to work into or beyond the employee's regular work hours the employee shall be paid overtime compensation for actual travel time only from his/her home. (Amended 1-1-88)

12.6 TWO-HOUR MINIMUM - EMERGENCY

The minimum time for which overtime compensation shall be paid under the provisions of Section 12.4 shall be two hours, except that if an employee who is called out for emergency work outside of such employee's regular work hours on workdays continues to work into or beyond regular work hours the employee shall be paid overtime compensation only for travel time as provided in Section 12.5 and for actual work time up to regular work hours unless the provisions of Section 12.10 are applicable. When an employee is called out for emergency work during his/her lunch period, the minimum time provision hereof shall not be applicable, but such employee shall be paid at the overtime rate of pay for the actual time worked during the lunch period. (Amended 1-1-91.)

12.7 PREARRANGED OVERTIME

When, at the request of the supervisor in charge, an employee reports for prearranged work (a) on workdays outside of his/her regular work hours, the employee shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond the employee's regular work hours, such employee shall be paid overtime compensation only for travel time from the employee's home and for actual work time up to *the employee's* regular work hours unless the provisions of Section 12.10 are applicable; (b) on non-workdays outside of his/her regular work hours, the employee shall be paid overtime compensation for actual work time and travel time in connection therewith, provided, however, that if such employee continues to work into or beyond regular work hours, travel time only from the employee's home shall be paid for; and (c) on non-workdays during regular work hours, the employee shall be paid overtime compensation only for actual work time. For the purpose of this Section prearranged work shall be deemed to be work for which advance notice has been given by the end of the employee's preceding work period on a workday. However, Company shall make a good faith effort to notify the employee at least 24 hours in advance of the need to perform prearranged overtime work on non-workdays or holidays. (Amended 1-1-11)

12.8 TRAVEL TIME BEFORE REGULAR HOURS

Once the disciplinary action has deactivated, the employee's progression will be reinstated. The next progressive wage increase (PWI) will occur retroactively to the deactivation date in the quarter following the deactivation and will apply to the step for which the PWI was missed. (a) Employees shall be given as much notice as practicable of Company's proposed action. Following such notice, and prior to the date of the proposed action, employees to be affected by the procedure due to lack of work shall be considered as though they had already been demoted, and, notwithstanding the provisions of Title 18, have their bids to fill vacancies, in the normal Line of Progression, considered under the provisions of Section 19.9. Subsection 19.1(b) through Section 19.13 shall apply to employees being displaced or demoted due to lack of work or employees being displaced by another employee due to lack of work. (Amended 1-1-00)

(b) An employee's Service, as defined in Section 17.3 shall be the determining factor in the application of this Title.

(c) Where a vacancy in an appropriate classification exists, the filling of such vacancy in accordance with the appropriate provisions of this Title shall be substituted for the displacing of another employee as provided herein. (Amended 1-1-00)

(d) An employee may not elect to displace another employee whose Service is equal to or greater than his/her own. An employee may not displace an employee in a classification having a wage rate higher than that of his/her own classification except where such classification is considered to be the same in accordance with a Line of Progression as provided for in Exhibit A or where such classification is a beginners classification. (Amended 1-1-00)

(e) Employees shall be demoted, displaced, laid off, or effect elections under the provisions of this Title on the basis of their regular classification, headquarters and Line of Progression at the time of any such action.

(f) In the application of the Title, an employee shall not be placed in a job unless qualified to perform the duties.

(g) In the application of this Title, part-time employees and intermittent employees are considered to be a different classification than full-time employees under the same job title. Part-time employees can only displace other part-time employees in the same or lower classifications within their normal

Preferential consideration shall be given to employees in the order of their Service, while Company shall endeavor to give effect to an employee's preference in the order he/she has indicated. If the Department or Area Manager is informed by the Union Business Representative serving that area of supervision of problems other than those subject to the grievance procedures of the applicable contract concerning the affairs and relationship between Union and Company management or involve public affairs matters of a local nature which the Area or Department Manager believes could be solved or improved through joint participative discussion, the Manager and Union Business Representative shall mutually arrange for a meeting at a place and time which may be during or outside of regular work hours. Such meetings (excluding a continuation of any adjourned meeting) shall take place not more often than bimonthly. (Amended 1-1-00)

(a) ATTENDEES AND AGENDA

(See Letter Agreement 87-165-PGE, Exhibit D.) (Amended 1-1-09)

TITLE 22. INTERIM NEGOTIATIONS

22.1 From time to time during the term of this Agreement, grievances which have been timely filed concerning the interpretation and application of the provisions of this Agreement may be "Suspended" pursuant to the provisions of a Letter Agreement dated November 1, 1973, as amended January 1, 1974. Additionally, Company and Union may agree to enter into interim negotiations to clarify, modify, add to, or delete from the provisions of this Agreement. This Title authorizes the establishment of Ad Hoc Negotiating Committees from time to time to resolve such disputes. (Amended 1-1-94)

22.2 An Ad Hoc Negotiating Committee established by this Title shall be composed of members appointed by Union and members appointed by Company's Director of *Labor* Relations. The members appointed by each, however, shall be kept to a reasonable number consistent with the principles of effective bargaining, and each shall appoint a spokesman from amongst those appointed to the Committee. (Amended 1-1-11)

22.3 The time spent by Union's Committee members in conjunction with the purpose of this Title and who are employees of the Company shall be paid by Company, and Union shall reimburse Company for such expenditures in accordance with the provisions of the Letter Agreement dated July 6, 1977.

22.4 The Committee is authorized to settle the dispute referred to it and issue a final and binding decision thereto and to issue Letters of Agreement or Letters of Interpretation revising and adding to this Agreement where necessary to effectuate the Committee's settlement. Without such agreement, neither Party may implement any change to this Agreement unless specifically provided for in this Agreement. (Amended 1-1-94)

TITLE 23. SUPPLEMENTAL BENEFITS FOR INDUSTRIAL INJURY

23.1 BENEFIT DESCRIBED

(a) When an employee is absent by reason of injury arising out of and in the course of the employment with Company which comes within the application of the Workers' Compensation and Insurance Chapters of the State Labor Code, the employee shall be eligible for supplemental benefits for the duration of temporary disability. Such benefits shall commence with the first workday of absence immediately following the day of the injury. The amount of the supplemental benefit payable shall be 75 percent of an employee's basic weekly wage rate divided by five, less the sum of any payments to which the employee may be entitled under the Workers' Compensation and Insurance Chapters of the State Labor Code and benefits from the Voluntary Wage Benefit Plan which provides benefits in lieu of unemployment compensation disability benefits provided for in the California Unemployment Insurance Code. (Amended 1-1-00 to be applicable to employees sustaining injuries 1-1-00 or after.)

(b) Any supplemental benefits paid during the first week of disability shall be considered as a credit against disability compensation which may be retroactively due under provisions of the Workers' Compensation and Insurance Chapters of the State Labor Code. Supplemental benefits paid for the first aggregate 182 days of absence shall be considered as a credit which may be applied to any permanent disability settlement. (Amended 1-1-91)

The duration of any such period of temporary work shall be determined by Company. Employees shall be compensated at the rate of pay of their regular classifications while engaged in such temporary duties. (Amended 1-1-91)

TITLE 24. MANAGEMENT OF COMPANY AND MISCELLANEOUS

24.1 MANAGEMENT OF COMPANY

The management of the Company and its business and the direction of its working forces are vested exclusively in Company, and this includes, but is not limited to, the following: to direct and supervise the work of its employees; to hire, promote, demote, transfer, suspend, and discipline or discharge employees for just cause; to

plan, direct, and control operations; to lay off employees because of lack of work or for other legitimate reasons; to introduce new or improved methods or facilities, provided, however, that all of the foregoing shall be subject to the provisions of this Agreement, arbitration or Review Committee decisions, or letters of agreement, or memorandums of understanding clarifying or interpreting this Agreement. (Relocated from 1.3 on 1-1-80)

24.2 BARGAINING UNIT WORK BY SUPERVISORS (Added 1-1-80)

Supervisors and other employees shall not perform work usually assigned to employees in IBEW 1245 bargaining unit classifications except:

(a) Such assignments are not to be deliberately made for the purpose of reducing the number of employees performing work within bargaining unit classifications.

(b) Historical assignments recognized by the NLRB and those involving continued Company practices with respect to overlapping duties of non-bargaining unit classifications and bargaining unit classifications are to be maintained unless otherwise resolved by Company and Union.

(c) Other than the above (a) and (b), such work assignments should be limited to work performed in:

(1) Emergency situations.

(b) reduce the wage rate of any employee covered hereby, or change the conditions of employment of any such employee to the employee's disadvantage. The foregoing limitations shall not limit Company in making a change in a condition of employment if such change has been negotiated and agreed to by Company and Union. (Amended 1-1-91)

24.4 CLASSIFICATIONS WITH SUPERVISORY DUTIES

In accordance with decisions of the National Labor Relations Board and Agreements between Company and Union, there are certain classifications in the bargaining unit which have supervisory duties. Company may at its discretion establish classifications which are supervisory within the meaning of the National Labor Relations Act. Upon agreement by Company and Union, Company may eliminate certain classifications which are within the bargaining unit but have supervisory responsibilities, including the elimination of such classifications from Exhibit F. (Added 1-1-80)

24.5 CONTRACTING

It is recognized that the Company has the right to have work done by outside agencies. In the exercise of such right Company will not make a contract with any company or individual for the purpose of dispensing with the services of employees who are covered by the Clerical Bargaining Agreement. The following guidelines will be observed:

(a) Where temporary services are required for a limited period of time, such as an emergency situation or for a specific special function.

(b) Where the regular employees at the headquarters are either not available or normal workloads prevent them from doing the work during the time of the emergency or special function situation.

(c) The Union Business Representative in the area should, if possible, be informed of Company's intentions before the agency employees commence work. (Added 1-1-80).

TITLE 25. TERM

25.1 TERM

This Agreement, having taken effect as of July 1, 1953, and having thereafter been amended from time to time shall continue in effect as further amended herein for the term of *January 1, 2011* through December 31, *2014*, and shall continue thereafter from year to year unless written notice of termination shall be given by either party to the other 60 days prior to the end of the then current term. The Company and Union acknowledge that, in the event the Company forms new Affiliated Acquiring Entities that are bound by this Agreement, this Agreement and any amendments thereto shall remain in effect until December 31, *2014*, or until separate agreements are negotiated to apply to each new Affiliated Acquiring Entity, whichever is earlier. Further, upon either party's

request, any new Affiliated Acquiring Entity and the Union shall engage in good faith negotiations to develop separate agreements. *(Amended 1-1-11)*

25.2 AMENDMENT - NOTICE

Except as provided otherwise herein, if either party desires to amend this Agreement, it shall give notice thereof to the other party 120 days prior to the end of the then current term, in which event the parties shall commence negotiations on any proposed amendments as soon as practicable after such notice has been given. Failure of the parties to agree on such proposed amendment shall not cause termination of this Agreement unless either party has given notice of termination as provided in Section 25.1.

25.3 GENERAL WAGE INCREASES

(a) Effective *January 1, 2011*, the basic wage rates established for *January 1, 2011* in Exhibit F of this Agreement shall be increased by *three percent*. *(Amended 1-1-11)*

(c) Effective *January 1, 2013*, the basic wage rates established for *January 1, 2013* in Exhibit F of this Agreement shall be increased by *two percent*. *(Added 1-1-11)*

(d) Effective *January 1, 2014*, the basic wage rates established for *January 1, 2014* in Exhibit F of this Agreement shall be increased by *two percent*. *(Added 1-1-11)*

(e) *(Deleted 1-1-09)*

25.4 APPROPRIATE UNIT CHANGE

Notwithstanding the provisions of Section 25.1, either party may give to the other 30 days' written notice of the proposed amendment of this Agreement in the event that an administrative or judicial tribunal having jurisdiction to do so shall determine that the unit described in Section 2.1 hereof is inappropriate for the purpose of collective bargaining.

25.5 CONFLICT OF LAW

Any provision of this Agreement which may be in conflict with any Federal or State law, regulation or executive order shall be suspended and inoperative to the extent of and for the duration of such conflict.

In the event any provision of this Agreement is suspended or declared inoperative by reason of the operation of this Section, the parties shall meet within 30 days to negotiate a substitute provision which will, as nearly as possible, reflect the intent of the suspended clause in a lawful manner. *(Added 1-1-84)*

25.6 CANCELLATION DUE TO BREACH

Notwithstanding the provisions of Section 25.1, either party may forthwith terminate this Agreement in the event that the other breaches its obligation as set forth in Section 3.2 hereof. Notice of termination shall be given in accordance with the terms of the Labor Management Relations Act of 1947, as last amended.

25.7 REVISIONS

This line of progression includes such general functions as telephone switchboard operations, mail distribution and collection, division files, reproduction, stationery, accounting, office services, new business, meter reading, meter tag posting, marketing, rate analysis, telephone and counter service, credit, cashiers and collection in Division, District, and Local Customer Services. The tables should be used in connection with Section 18.8 of the Clerical Agreement dated July 1, 1953, as amended.

To use these tables, find the vacant classification. Below the vacant classification in the left-hand column are listed the next lower classifications. Below the vacant classification in the right-hand column are listed classifications which are the same as, or higher than, the vacant classification. The classifications listed as next lower, the same as, or higher than, the vacant classification are followed by a hyphen and a label which describes the general function of the clerical classifications which are so considered.

Vacancies in combination classifications (e.g., Service Representative and Meter Reader) will be filled on the basis of the primary classification (the first classification in the Title) taking into account the qualifications required for the secondary classification. Consideration for promotion of employees who hold such classifications shall be based upon the primary classification.

Example 1: If a vacancy exists in a Senior Service Representative I classification in the Customer Services Department, consideration under Subsection 18.8(b) and 18.8(c) of the Agreement in order of employment date shall be given to employees classified as Service Representative, the equivalent, or higher in the Customer Services Line of Progression.

Temporary Assignments

Temporary upgrades shall take place within the department and headquarters in which the temporary vacancy exists provided there is a next lower classification to the vacant classification in such department and headquarters. Temporary upgrades into classifications where there is no next lower classification to the vacancy within the department and headquarters shall be made in accordance with the lines of progression.

Example 2: If a temporary vacancy exists in a Senior Service Representative I classification in the Customer Services Department, consideration in order of employment date shall be given to employees classified as Service Representative or equivalent in the Customer Services Department.

Typist Designation:

Criteria: A typist position will normally perform typing 20 percent of the time during a workweek. The typing assignments should generally require more than simple typing skills such as form completion.

The above criteria will be waived if there is a demonstrated need for a typist at an office.

The existing Service Representative classification and wage schedule will apply to current Service Representative incumbents hired before 1-1-11. Service Representatives hired prior to 1-1-11 who transfer into the Service Representative I classification will be placed in a Service Representative classification and the corresponding wage schedule.

2772 METER READER AND UTILITY CLERK

A Meter Reader is an employee assigned a route of meter locations. Each meter location is visited, the meter number checked and meter dials read and recorded. Any unusual or abnormal conditions observed are reported. Meter Readers may perform electric change of party reads, gas change of party reads (non-entry, gas found on) and RGSO (reads only) and special meter reads in conjunction with or in lieu of reading an assigned route with the exception of Class II adjustment reads. Completed work is submitted and other related work is performed as assigned. The following conditions are to be observed when assigning other related work: (a) Training is provided. (b) Meter Readers can safely perform their job duties. (c) Meter Readers will not be routinely assigned work which falls within the job description of another classification, and when additional work is assigned, route sizes are taken into account. (d) It is part of a Meter Reader's job to return to accounts missed by such Meter Reader if time permits. (e) Whenever a Meter Reader is given Senior Meter Reader job duties they will be paid at the higher rate for a minimum of two (2) hours. (f) If Union believes that additional "other related work" merits an inequity adjustment to the Meter Reader wage rate, Company agrees to negotiate on an interim basis. Electric change of party reads, gas change of party reads (non-entry, gas found on) and RGSO (reads only), will not be worked on overtime by Meter Readers until the Title 208 and 212 lists have been exhausted for Reserve Gas Service Representatives, Gas Service Representatives, Service Mechanics and Troublemens classifications. The Meter Reader may do this work on overtime on a de minimis basis, for example, where overtime assignments involve an extension of a regular work day to complete work same day.

ACCOUNTING AND COMPUTER OPERATIONS LINES OF PROGRESSION

The tables shown are for use in filling vacancies in the following departments: Vice President and Controller's Organization, Computer Operations, and the Mail Services Section of General Office Building Department. They should be used in connection with Section 18.8 of the Clerical Agreement dated July 1, 1953, as amended. In addition, the transfer rights of employees of the Vice President and Controller's Organization and the General Office Operating Clerical (including the Design-Drafting Clerical Unit, Reprographics Clerical Unit, and the Mail Services Section of the General Office Building Department) have been expanded to provide Subsection 18.5(c)(1) rights between these groups.

The Vice President and Controller's Organization is comprised of the following sections: Major Billing, Bill Processing, Payroll, Capital Accounting, Miscellaneous Billing, Payment Processing, Revenue, Accounts Payable, Budget, Corporate Accounting and Correspondence Management. The Computer Operations Department consists of the Data Recording and Output Operations sections.

By identifying these sections, the parties do not intend to change the scope of recognition.

Transfer rights of employees in the Computer Operations Department and the Vice President and Controller's Organization have been established to provide 18.5(c)(1) rights between these groups.

To use these tables, find the vacant classification. Below the vacant classification in the left-hand column are listed the next lower classifications. Below the vacant classification in the right-hand column are listed classifications which are the same as, or higher than the vacant classification. The classifications listed as next lower, the same as, or higher than the vacant classification are followed by a hyphen and a label which describes the general function of the clerical classifications which are so considered.

Example 1: If a vacancy exists in a Senior Accounting Clerk I classification in the Payroll Section, consideration under Subsections 18.8(b) and 18.8(c) of the Agreement in order of employment date shall be given to employees classified as Accounting Clerk, the equivalent, or higher.

Temporary Assignments: Temporary upgrades shall take place within the unit in which the temporary vacancy exists provided there is a next lower classification to the vacant classification in such unit. Temporary upgrades into classifications where there is no next lower classification to the vacancy within the unit shall be made from the section, and then the department. A Section may be comprised of more than one unit. For example, in the Payroll and Accounts Payable Sections, a unit is comprised of all of the employees reporting to one exempt supervisor.

The foregoing shall not apply to shift changes. Employees transferring or bidding between departments in Vice President and Comptroller's and Computer Operations Department will not be bypassed pursuant to Section 18.11 of the Clerical Agreement if solely based on a lack

of job knowledge and/or experience. The foregoing shall not abrogate the parties' intent to develop and implement training and testing procedures for promotional eligibility to all senior classifications in the Vice President and Comptroller's Organization. Once such training and testing procedures are negotiated and implemented, Company and Union will review the contents of this paragraph."

CLERICAL WAGE AND CLASSIFICATION AGREEMENT

Effective January 1, 1980

1.) The parties have agreed to establish a new Job Evaluation System replacing the Clerical Cross-Hatch Index System as provided for in the letter agreement dated March 8, 1974. The new System must be agreed to no later than 24 months after the effective date of this Agreement, and in the event the parties are unable to reach agreement, the issue would then be submitted to arbitration pursuant to Title 9 of the Agreement to resolve the dispute. The arbitrable issue will be restricted to the adoption of one of the parties' Job Evaluation Systems as submitted to the arbitrator with the understanding that Company would not submit the Clerical Cross-Hatch Index System and, in turn, the Union would not submit job definitions.

2a.) During the 24-month period described above or until such time as the parties agree to a new Job Evaluation System, the Company will continue to fill new clerical vacancies and assign the rates of pay on the basis of comparing the new job to existing classifications of comparable duties. In other words, the method Company will use in determining the rate of pay will be a slotting method of comparing the new job to

existing jobs with comparable duties. The Union will be notified of all such placements and has the right to challenge each rate of pay. Once the parties have agreed to a Job Evaluation System, all jobs challenged during the interim period will be re-evaluated using the new Evaluation System and if adjustments are necessary, they will be made retroactive to the date of filling.

b.) Further, Company will remove all "RWV" designations from the existing clerical classifications in the bargaining unit and during the interim period consider these classifications for purposes of Titles 13, 18, and Exhibit F at the higher level. Once the parties have agreed to a new Evaluation System, the former "RWV" classifications will be reevaluated and assigned and adjusted if necessary. If as a result of the re-evaluation it is necessary to lower the classification and rate of pay, then the employees filling the jobs will be given displacement or demotion and layoff rights pursuant to Title 19 of the Agreement. An employee's right to use Title 19 will be limited to the displacement of the employee with the least Service who entered the classification after the employee seeking to use the provisions of Title 19. Company will supply Union with a list of all classifications which are formerly designated as "RWV" on the effective date of this Agreement. It is also understood that grievances currently pending that were filed pursuant to the Clerical Job Grading Grievance Procedure dated March 8, 1974, will be resolved by the Pre-Review Committee.

3.) Company will review Company offices, departments, and the Comptroller's Organization for the purpose of restructuring the duties to provide for additional senior positions. As a result of the commitment to establish additional senior positions, Company, starting no later than January 1981 and in each January and July thereafter for the term of this Agreement, will meet with Union to review progress. If the Company has not lived up to its commitment, then Union will have the right to initiate a grievance pursuant to Title 9 of the Clerical Labor Agreement to resolve the issue.

4.) The parties agreed jointly to attempt to develop training and testing procedures for promotional eligibility to all senior classifications within the Clerical Agreement with the understanding that the initial implementation of the training and testing procedures would start in the Customer Services Department and follow either in the Vice President and Comptroller's Organization or Clerical Operating. During the interim period, the provisions of Title 18 would still apply.

5a.) Placement into the Utility Clerk classification will start on the effective date of this Agreement, (1-31-80). Employees who currently hold the classification of Clerk D and its equivalent will retain such classification and their wage progression as established in 1976 and be allowed to progress to the top of such current wage progressions until such time as they vacate the classification. Employees classified as Clerk D and equivalent who go on Long Term Disability or a leave of absence or who transfer laterally in the same line of progression pursuant to Title 18 of the Agreement will retain their Clerk D or equivalent status until such time as they vacate the Clerk D or equivalent classification. All other transfers of Clerk D's will be to the Utility Clerk classification and its rate of pay. Any other employee entering the beginning clerical level (except as a Meter Reader, Computer Operator-in-Training, or Data Entry Operator) shall be classified and paid as a Utility Clerk.

5b.) The provisions of Section 13.9 of the Clerical Agreement will apply to all beginning level appointments. However, in case of transfer between Utility Clerk and Meter Reader, the provisions of Section 18.10 of the Clerical Agreement will apply, whether or not there is a change in line of progression.

6.) Revise entry starting rate guidelines as outlined below.

7.) Combination classifications and dual classifications will be handled in the same manner as provided for in Exhibit A, Lines of Progression, Division Clerical Departments.

8.) (2730) Supervising Clerk B classification is eliminated from Exhibit F of the clerical contract. Those employees classified as Supervising Clerk B on the effective date of this Agreement will be maintained at their current wage rate subject to general wage increases until such time as they vacate the classification.

9.) A Senior I classification shall not be required to act as lead over a Senior II classified employee.

CLERICAL HIRING RATE GUIDELINES

The following hiring rate guidelines apply to clerical employees hired under the Agreement:

1.) An employee with less than 6 months of directly related clerical job experience will be hired at the starting rate of the applicable clerical classification.

An employee with 6 months, but less than 12 months directly related clerical job experience, will be hired at the 6-month rate of the applicable clerical classification.

An employee with 12 to 18 months directly related clerical job experience, will be hired at the one-year rate of the applicable clerical classification.

An employee with 18 to 24 months directly related clerical job experience, shall be hired at the 18-month rate of the applicable clerical classification.

An employee, other than Utility Clerk, with 2 years or more directly related clerical job experience, shall be hired at the 24-month rate of the applicable clerical classification.

A Utility Clerk with 24 to 30 months directly related clerical job experience, shall be hired at the 24-month rate of the Utility Clerk.

A Utility Clerk with 30 months directly related clerical job experience, shall be hired at the 30-month rate of the Utility Clerk.

2.) In applying paragraph 1, credit will be given for office clerical work, "office clerical work" does not include: (a) sales work in any type of retail establishments; (b) work as a teller in a bank or savings institution.

3.) Credit for work experience will not be given for jobs held prior to a five-year break in employment.

4.) No credit will be given for non-verifiable work experience.

5.) No credit will be given for summer or part-time work experience accrued while a student.

6.) Credit will not be given for experience accrued on a casual or intermittent basis, including work performed while employed through a temporary agency.

**DEFINITIONS OF THE PHRASE "AT THE TOP RATE OF PAY OF THE
NEXT LOWER CLASSIFICATION" IN CLERICAL LINES OF PROGRESSION**

TITLE 18 - JOB BIDDING, PROMOTION AND TRANSFER

For the purpose of clarification, the "top rate of pay of the next lower classification" is defined as the top wage rate of that classification which has the lowest maximum wage rate of the group of classifications combined and indicated as the next lower to any particular higher classification.

Example: Senior Service Representative I
 Senior Service Representative-Typist I

Next Lower Classifications:
Service Representative
Service Representative-Typist
Credit Representative
Credit Representative and Meter Reader

In the above example, the Service Representative and Service Representative-Typist are the classifications with the lowest maximum wage rate of the group of classifications shown as next lower. An employee in any of the "next lower classifications" who is receiving a wage rate equal to or greater than the maximum rate of such classifications would be considered as being "at the top rate of pay of the next lower classification" as referred to in Subsection 18.8(b) or (c). Where a physical classification is "next lower" in Exhibit A, the clerical classification with the lowest maximum wage rate shall prevail in determining the "top rate of pay of the next lower classification."

To be entitled to preferential consideration an employee who is presently in any of the "next lower classifications" or any of the "same or higher classifications" to a classification in the normal line of progression for which s/he has bid must be receiving a rate of pay equal to or greater than the lowest maximum wage rate of the group of classifications combined and indicated as the next lower to the classification on which s/he bid.

With regard to the filling of the Service Representative classification, an employee who has completed six months of continuous service and has been given regular employee status and who is in any of the classifications on either side indicated as being in the "next lower classifications" or the "same or higher classifications" to Service Representative, will be considered as being "at the top rate of pay of the next lower classification" for bidding purposes under Subsection 18.8(b) or (c) to a job vacancy in the classification of Service Representative.

See Subsection 18.2(c) for the definition of the top of the rate of pay of the next lower classification when bidding from a beginner's classification, except to Service Representative.

Company also proposes to confirm aptitude and skills testing requirements for various beginning and prebiddable (promotional) classifications. The attached document describes Description of Tests, Testing and Retesting Provisions, and the specific requirements for new hires and employees by classification. This document should be used in conjunction with requirements listed in Exhibit A of the Clerical Agreement and Title 600 of the Physical Agreement.

Further, Company proposes to relax the retesting provisions for employees subject to demotion and/or displacement during the period of notice. Such employees shall be given an opportunity to qualify for a classification during the period of notice notwithstanding the period of time lapsed since the last attempt, providing such employees have not exhausted the number of attempts allowed. Where there is no limit to the number of attempts allowed (e.g., typing test), an employee may take the test as often as he/she is notified of displacement and/or demotion under the provisions of the respective agreement.

Company further proposes that the Parties mutually agree to the requirements listed on the Job Bidding Qualifications table in a separate agreement.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

REVIEW COMMITTEE DECISION

**Review Committee File No. 1517-81-1
Sacramento Division Grievance No. 6-110-80-9
Amended by LA 90-8 (See Page 81)**

Subject of the Grievance

The grievant, an intermittent Clerk D in Customer Services Department, was required by Company to requalify her typing skills before being awarded a transfer to a full-time Utility Clerk-Typist position. Due to her failure to pass the typing retest, the grievant was bypassed for the job in question.

Facts of the Case

The grievant was employed on March 10, 1975, as an unscheduled, temporary, part-time Clerk D in the Customer Services Department. Subsequent to this, she submitted transfer applications to various full-time clerical jobs. In order to qualify herself for consideration to the position of Clerk D-Typist (now Utility Clerk-Typist), on February 2, 1978, she took and passed the required typing test.

In May 1980 the grievant was the senior transfer applicant for a position of Utility Clerk-Typist in Solano District, Sacramento Division. Prior to being awarded this job, the grievant was notified by Company that she would have to requalify her typing skill level. The grievant requested and received a one week's delay in taking the test as she felt a need to brush up her typing skill which had not been utilized in her work as Cashier in the Customer Services Department.

When the grievant retook the typing test on May 14, 1980, she failed to achieve a passing grade and was bypassed for the vacant position. The Union filed a grievance contending that Company had no right to require a retest of the grievant's typing skills and that once the grievant had qualified for the job in question, she remained qualified.

Discussion

The Review Committee, in discussing this case, took notice of the fact that before the Clerical Agreement was changed in 1977, through General Negotiations, Subsection 18.5(b)(2)* provided that "Company may nevertheless reject the transfer request of any such employee who does not possess the ability to perform the duties of such classification and who has not demonstrated the qualifications required to progress in the Line of Progression of the classification which is vacant." In thinking that this now-absent language might have a bearing on this case, the Committee reviewed the intent of the Negotiating Committees in removing this language from the Agreement. It was determined that the basic intent at that time was to remove the requirement of successfully completing the A.C.T. math test in order to transfer to certain jobs. The language was not removed to indicate that there was no longer a need to require a demonstration of certain appropriate work skills before awarding a vacancy in accordance with the transfer procedure.

In the case at hand, over the two-year period since the grievant had taken the typing test, her typing skill had deteriorated and also the test had been changed. Both of these factors seemed to have an effect on the grievant's ability to pass the typing test. It was also apparent that the one week's delay requested by the grievant to brush up her typing skill was not adequate.

The Company's members of the Review Committee opined that for two specific clerical skills, typing and shorthand, there was a valid need to test transfer applicants prior to awarding a job which primarily utilized these skills. The Union's members of the Committee agreed with the Company's opinion noting that an employee, placed in a beginning level job, who did not possess the necessary skills of that classification could be subjected, at some point, to demotion or dismissal. However, the Union's members opined that for at least one year's time following testing, it could be reasonably assumed that an employee would retain his/her tested skills at the same level.

Also discussed, in passing, was a recent Materials Department negotiated settlement relating to the right to utilize Company typewriters, either manual or electric, but not during work hours to sharpen typing skills prior to taking the typing test required for certain of the Material Department's jobs.

Decision

Taking all of the above into consideration, the Review Committee determined that the job bypass of the grievant was not in violation of the Agreement. However, in the future, any employee who, except those employees then classified as typist or stenographer, is the senior transfer applicant for a clerical job classification of typist or stenographer may be required by Company to pass a retest of such skills if more than one year's time has elapsed since the employee was last tested and met the minimum requirements for those skills.

Also, at the employee's request, the retest and the award of the job for which the employee is being considered shall be pended for not more than 30 calendar days in order to allow the employee time to sharpen or improve the skills referred to above. Company shall notify the employee of this option at the time he/she is being considered for the job. During this 30-calendar-day period, the Company will make a typewriter available for typing practice on Company property but not necessarily during the employee's work hours provided that there is a typewriter at that headquarters which is not in use. If at the end of the 30-day period, or sooner if the employee desires, the employee takes and fails the retest, such employee shall be bypassed for the job in question.

The Review Committee, in going beyond this instant case, determines that an employee other than a typist or stenographer who is the senior bidder for a clerical job classification of typist or stenographer will be subject to the same rules and rights as specified in this "Decision." That is, the employee must have qualified on the appropriate typing or stenographic test within a one-year period of the date of consideration for a vacancy or must requalify under the same conditions stipulated above.

This case is closed without adjustment.

Sacramento Division Grievance No. D.Gr./C-6-73-4
East Bay Division Grievance No. D.Gr/C 1-73-4

Subject of the Grievances

Each of the grievances arose from similar facts. The grievants are employees who are not headquartered at the location where the temporary upgrade occurred. At the headquarters where the temporary vacancy occurred, Clerk C's or D's were upgraded to fill Clerk A or B positions. There were no immediate next-lower classifications in any of the offices concerned in these grievances.

The contention, then, of each of the grievants is that he or she should have been temporarily assigned to the location where the vacancy occurred inasmuch as each would have been the successful bidder if the vacancy had been permanent rather than temporary.

Discussion

The Clerical Labor Agreement specifically deals with the question of filling temporary vacancies in Subsection 18.3(a): "Whenever a vacancy occurs in any job classification, Company may temporarily fill it by assignment. In making temporary assignments to fill job vacancies other than vacancies in beginner's classifications, Company shall first consider regular full-time employees at the headquarters in which the job vacancy exists in the order of their preferential consideration under Section 18.8." (Emphasis added.) Further, in Exhibit A - Lines of Progression - Division Clerical Departments, the following example of a temporary assignment is given: "Temporary upgrades shall take place within the department and headquarters in which the temporary vacancy exists provided there is a next-lower classification to the vacant classification in such department and headquarters." (Emphasis added.) Temporary upgrades into classifications where there is no next-lower classification to the vacancy within the department and headquarters shall be made in accordance with the lines of progression."

As the facts point out, in these particular offices there was no immediate next-lower classification to the vacant A or B positions. The question, then, involves the second sentence of the example, and the question specifically is whether this opens the appointment to persons outside of the headquarters. The language of the example is certainly not crystal clear. It could be read to mean that, if there is no person in an immediate lower classification to the one that is temporarily vacated, it must be filled from outside of the headquarters. To read the Exhibit this way, however, would, with regard to such assignments, conflict with the literal meaning of Subsection 18.3(a). That section, which is paramount to the example in any event, speaks in terms of the entire line of progression to the temporary vacancy.

In an effort to resolve the conflict, the Review Committee has taken into account several factors: (1) The promotional system is based on prebids from next-lower classifications within a Division assuming that the bidders are qualified. (2) The most common method for employees to attain the requisite skills and knowledge for promotion is temporary upgrades to higher classifications. (3) The extent of the Company's obligation to train employees for promotion. (4) In the filling of temporary vacancies, the Company is only obligated to give consideration to those senior employees who have prebids on file provided the assignment does not disrupt Company's operations to a point where it becomes impracticable to do so or the expense outweighs the Company's commitments to provide promotional training.

Decision

For the foregoing reasons where there is no next-lower classification in the line of progression, it is the decision of the Review Committee that: (1) Temporary upgrades for one basic workweek or less shall be made within the headquarters following the line of progression to successively lower classifications provided that such a person is qualified to handle the work of the higher classification to which the temporary appointment is being made and; (2) such temporary upgrades for more than one basic workweek shall be offered to the senior qualified prebidder within a district provided that such person resides within a commutable distance ("commutable distance" as used in this decision shall mean a temporary headquarters located not more than 45 minutes or 30 miles from his residence). In the application of item (2), the upgraded

employee shall report to the temporary headquarters in accordance with the provisions of Section 10.8 of the Clerical Agreement. When the temporary assignment lasts for more than 60 consecutive calendar days, the upgraded employee will then be considered reporting to his "regularly established headquarters."

These grievances are closed without adjustment.

Local Union No. 1245

International Brotherhood of
Electrical Workers, AFL-CIO
P. O. Box 4790
Walnut Creek, California 94596

Attention: Mr. Jack K. McNally, Business Manager

Gentlemen:

At the request of Local 1245, IBEW, the issue of an appropriate Clerical Job Evaluation System for certain classifications covered in the Clerical Agreement has been referred to arbitration in accordance with the settlement of the 1979/1980 negotiations and has been assigned Case No. 108.

Company and Union have agreed that it is in the best interests of the employees involved, and the Company and Union, that a further effort be made to reach a mutual agreement on this matter through the bargaining process. It is, therefore, agreed that the arbitration procedure will be stayed under the following conditions:

1. Consultant

The Company and Union will jointly select and pay the consultation fees of a consultant, who will guide and make recommendations to the Committees representing both parties and attempt to establish a mutually acceptable Clerical Job Evaluation System for PGandE employees in classifications listed in Item 3 below.

2. Validation

Before implementation of any proposed Job Evaluation System, such system will be "validated" by being tested against a substantial number of benchmark jobs to the satisfaction of both parties.

3. Guidelines

The Committees and the consultant shall be guided by the following principles:

- The Job Evaluation System will apply to the following clerical classifications:

a. Senior II level clerical jobs.

- b. Senior I level clerical jobs.
- c. Service Representatives, Operating Clerks, and Accounting Clerks.
- d. Utility Clerks (including Clerk D).
- e. Any other classifications in the clerical bargaining unit listed in Exhibit F which have wage progressions which are identical to those listed in a. through d. above.
- f. Any other office or clerical classification to which the Company and Union mutually agree.
 - The system be easy to use and understand.
 - Information regarding the system be available to all parties, including individual employees.
 - All parties be encouraged to participate including employees whose jobs are subject to evaluation.
 - Job evaluations are to be based on the job and not on the employee who holds the job.
 - The system meet equal employment requirements.
 - There be an appeals process.

4. Employee Placement

If in the application of the agreed-to Job Evaluation System it is determined that a particular position is to be reclassified downward, the incumbent employee will be red-circled at his/her current rate of pay and be subject to the conditions outlined in Paragraphs A or B below. However, if in the Department and office (Section in V.P. & Comptroller) where the inappropriately classified position has been identified, there are other equivalent positions, the red-circled employee may exchange duties with the least senior employee holding that classification. The junior employee would then assume the red-circled status and be subject to the conditions of Paragraphs A and B below.

After implementation of an agreed-to Job Evaluation System, employees who, as a result of job reevaluation, are assigned a lower classification, will be red-circled at their current rate of pay under the following conditions:

A. Customer Services and Operating Lines of Progression

Once an employee has been red-circled at a rate of pay, he or she will be held at that rate until reassigned to another classification equivalent to or higher than the current rate of pay within the same headquarters or he or she vacates the specific job for any other reason. If, during the time an employee is red-circled and there are prebiddable vacancies within a commutable distance of the present headquarters (30 miles or 45

minutes travel time under ordinary conditions), and the red-circled employee elects not to bid or turns down a job award more than once, such employee will be held at the present rate of pay (excluding general wage increases) until such time as the rate established for their newly assigned classification equals or exceeds the red-circled rate. If two or more red-circled employees turn down the same job award, only the junior employee will be charged with a turndown. A red-circled employee who prebids but is not the successful bidder to an equivalent classification within the area of commutable headquarters will continue to maintain the current rate plus future general wage increases.

B. Accounting Line of Progression

The conditions set forth in A above will apply to red-circled employees in the Comptroller's Department with the understanding that, if a red-circled employee bids to another section to maintain his or her current rate of pay, such employee will have at least six months to become fully qualified. In the event the red-circled employee desires to bid back to his or her former section, the employee will not be subject to the six-month bar established for this Line of Progression by the letter agreement dated April 21, 1982 (82-4-PGE).

5. Arbitration

At any time that either party believes that continuing negotiations will be fruitless, it may, upon written notice to the other party, again start the arbitration proceedings at the point where they stood at the time of the execution of this agreement. However, should the issue be referred back to arbitration, the arbitration date shall be set no earlier than 60 days following an exchange of all relevant information on both proposed systems.

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

In accordance with the provisions of Attachment A of the 1979 Negotiations Settlement, the parties have mutually established a Clerical Position Evaluation System to replace the Clerical Cross-Hatch Index. The time limits set forth in Attachment A were mutually extended by Letter Agreement 82-111-PGE.

Enclosed with this letter are:

1. The cut-off point determination agreement. The employee population mix referenced in the second paragraph is 5.5% "A" level classifications, 10.4% "B" level classifications, 41.6% "C" level classifications and 42.5% "D" level classifications in the initial system study population.
2. The Administrative Guide for the Clerical Position Evaluation System.

The commitment established during the 1979 General Negotiations was to reevaluate all of the former Review When Vacant (RWV) jobs prior to any others. At the time this agreement was reached, neither Company nor Union was in a position to predict what the essential elements of the new job evaluation system would be. At the conclusion of negotiations in which the parties established the elements of the system, an initial implementation agreement was negotiated. A copy of that agreement is included in the Administrative Manual as an Appendix. As is provided in the implementation agreement, all covered employees will be required to complete a Position Evaluation Questionnaire during the System Study-Data Gathering phase. No jobs will be impacted by the new job evaluation system until the System Study is completed. Because the System Study will include all positions that are filled, all employees who are in those positions that were formerly designated "Review When Vacant" will be evaluated at the same time as all other positions. It has, therefore, been agreed that it is unnecessary to treat the formerly "RWV" positions any differently than other positions.

It is anticipated that following the System Study, it may not be possible to process all of the appeals within the time limits established in Chapter VI of the Administrative Manual. Therefore, by mutual agreement, the parties may extend the time periods specified for the processing of appeals. However, the parties may not agree to extend the time period specified for filing an appeal.

Further, since the Gas Chart Calculator positions do not meet the requirements established for positions that will be evaluated by the system, the parties agreed that Gas Chart Calculator positions be excluded from evaluation using the Clerical Position Evaluation system.

It is proposed that this Clerical Position Evaluation system be effective upon the execution date of this agreement and continue in effect until amended by mutual agreement, or until either party has given to the other 30 days' written notice of its termination.

If you are in accord with the foregoing and the attachments and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

PACIFIC GAS AND ELECTRIC COMPANY

Clerical Position Evaluation System

CLERICAL BARGAINING UNIT EMPLOYEES:

(Operating and Customer Service lines of progression)

The Company and Union recently agreed to the implementation process for the Clerical Position Evaluation System. The system will be implemented on December 1, 1989 in the Operating and Customer Services lines of progression, and on May 1, 1990 for the Accounting line of progression. Additional time was allowed for the Accounting progression to accommodate change occurring in these positions. Employees prepared the initial descriptions of their jobs on the Position Evaluation Questionnaire form (PEQ) in 1987. If a PEQ was prepared for your position, it is attached for you to update as necessary to ensure that the most current information is used in the final evaluation. A new PEQ must be prepared if one does not already exist for your position. Please follow the steps below and work with your supervisor to update or prepare new PEQ's:

1. Review the PEQ for accuracy.
2. Revise the PEQ as needed or write a new PEQ if significant change has occurred.
3. Write a PEQ if one does not exist.
4. Return the new or revised PEQ to your supervisor by _____.

PEQ forms, instructions and benchmark duty statements are available from your supervisor or local Human Resources Department.

After review, the new and revised PEQ's will be evaluated for proper classification. The implementation agreement provides for reorganization of duties to minimize disruption and maintain job classifications to the extent possible. You will be notified of the evaluation results prior to the effective date for your line of progression.

Please do not hesitate to discuss any questions with your supervisor or Human Resources Representative. Your IBEW Business Representative and Shop Steward are also available.

We appreciate your efforts and cooperation during this transition phase. We are looking forward to a successful introduction of this long-awaited system.

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

Pursuant to recent discussions between Roger Stalcup of your staff and Sara Johnson of my staff, Company proposes the following as a clarification of Letter Agreement R1-82-111-PGE dated October 6, 1982.

The language concerning red-circled treatment for employees in the Customer Services, Operating and Accounting Lines-of-progression shall be applied as follows:

Upon having their position red-circled, an employee will receive progressive wage increases and general wage increases until they are reassigned to a non-red-circled position, bid/transfer to another position, or turn down or decline to bid to a position, more than once, that is no more than 30 miles or 45 minutes from their residence. Following the occurrence of any of the above listed situations, such employee will no longer receive progressive wage increases or general wage increases until they either move to a non-red-circled position or the wage rate established for their newly assigned classification equals or exceeds their red-circled rate.

Further, for purposes of this agreement, prebids that must be exercised to avoid being held at the present wage rate are only Subsection 18.8(a) or (b) bids.

In addition, to avoid placing a hardship on employees who may be impacted by the provisions of Letter Agreement R1-82-111, the following modification to said agreement is proposed. The words "present headquarters" contained in Section 4. A. shall be replaced with the word "residence." As revised, then, Section 4. A. of Letter Agreement R1-82-111, would state, in part ... and there are prebiddable vacancies within a commutable distance between the employee's residence and the prospective headquarters (30 miles or 45 minutes travel time under ordinary conditions), and the employee elects not to bid ...

For the purposes of this agreement, the residence shall be the place of abode for the employee on the date the red-circle designation is assigned to the position. While a red-circled employee may change the location of his or her residence, the commutable distance to a prospective headquarters shall continue to be based upon the residence of record on the date the red-circle designation was assigned to the position.

Further, it is understood that the residence requirement contained in the modified section 4. A. (or Letter Agreement R1-82-111) does not apply to employees located in the General Office complex, as the intent of said language is for employees who are traveling to a new headquarters. With respect to this specific agreement and Letter Agreement R1-82-111, employees working in the General Office complex are considered to be at one headquarters.

Regarding the Clerical Position Evaluation System Appeals Procedure, as detailed in Chapter VI of the Administrative Guide, Section C - Local Investigating Committee/Step Three, it is understood that the Shop Steward will be designated by Local 1245 to serve as a second Union member to the LIC, on a Region-wide basis.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Company.

Procedure

- An employee who desires to receive tuition refund must submit a completed Tuition Refund application to his/her supervisor for approval, prior to enrollment in a course of study. The completed Tuition Refund application must contain details of the course for which payment in advance will be sought and if the employee is qualified for financial assistance through a Federal or State Veteran's Education Assistance, an outline of those program benefits must be attached.
- Employees should submit this request for approval at least 30 days prior to the enrollment date to allow ample time for processing.
- Upon review and approval of the Tuition Refund Application, employees will receive payment in advance by an Official Tuition Voucher in the amount of tuition and fees and a Textbook Reimbursement Form within the established employee reimbursement limit as direct payment to the institution for tuition and covered fees.

This requirement will be waived in the event the employee is unable to complete an approved course due to Company initiated transfer or excessive mandatory overtime.

Payment In Advance

Payment in advance for approved courses of study will be provided at a rate of 75 percent or 90 percent of direct costs. Direct costs apply only to registration fees, tuition, required textbooks, laboratory fees, and other charges made by the institution. Costs of material and equipment purchased separately by the employee are not covered.

- A. *(Deleted 1-1-09)*
- B. Where the institution includes the costs of textbooks and/or supplies in its charges or fees, a refund of 75 percent of the direct costs will be made (e.g., ICS, La Salle, etc.).

LETTER AGREEMENT 87-165-PGE
PRODUCTIVITY ENHANCEMENT COMMITTEES

August 17, 1987

Pacific Gas and Electric Company
245 Market Street
San Francisco, CA 94106

Attention: Mr. I. W. Bonbright, Manager of Industrial Relations

Gentlemen:

This letter shall supersede Letter Agreement No. 87-83-PGE.

Since January 1987, Company and Union have had discussions regarding a work efficiency experiment at the District headquarters in Livermore, California. We have also previously discussed preliminary plans for similar trials at other locations. In order to provide a consistent approach to the Livermore experiment and to other work efficiency experiments, the Union proposes that the Manager of Industrial Relations and the IBEW Business Manager may agree to the establishment of individual work efficiency experiments and that the following conditions be applicable:

1. Company and Union may agree locally to the specific conditions of each experiment including the criteria to be used to judge the productivity and the quality of the work, except that changes in the conditions of any Labor Agreement requires an agreement between the Manager of Industrial Relations and the appropriate Union Business Manager(s).
2. Each experiment will have an Advisory Committee to consist of Company members, IBEW members, Engineers and Scientists of California, MEBA, and at least one consultant to be agreed to by the parties. The number and size of the Advisory Committee shall be determined by the Committee.
3. Each experiment will have a local Steering Committee and a consultant to be agreed to by the parties. The size of this committee is to be determined locally. The Steering Committee may also utilize representatives from various departments on a subcommittee basis, as they deem appropriate.
4. Upon completion of the experiment, any modified bargaining unit work assignments agreed to during the experiment will be returned to the original unit.
5. There will be no layoffs for lack of work or demotions for lack of work in the headquarters in which the experiment is located during the period of the experiment.
6. During the experiment, local supervision and the employees involved shall be responsible for getting work done in a timely manner using all available resources.
7. Any party to an individual work efficiency agreement may cancel the agreement upon 30 days' notice to the other party(s).

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to the Union.

Very truly yours,

LOCAL UNION 1245, IBEW

By /s/ Jack McNally
Business Manager

The Company is in accord with the foregoing and it agrees thereto as of the date hereof.

San Francisco Division Grievance No. D.Gr/C 2-74-17 P-RC 141

Utilization of Intermittent Employees

MR. C. A. MILLER, Chairman
San Francisco Division
Joint Grievance Committee

April 29, 1975

The above-subject grievance has been discussed by the Pre-Review Committee prior to its docketing on the agenda of the Review Committee and is being returned to the Division for settlement in accordance with the following:

After a thorough review of the record and subsequent data submitted to the Review Committee, the Pre-Review Committee agrees that the paramount issue in the grievance is one of whether the Division prohibited the grievants from obtaining regular status as provided for in Section 17.7 of the Clerical Labor Agreement. Inasmuch as this has been a long standing problem in several Divisions, the negotiating parties in the 1974 contract negotiations recognized this problem and agreed that in cases where it was determined that the employees were being utilized as intermittent employees and working a regular schedule, the affected employees would be entitled to regular status even though they were laid off for more than an accumulated total of 30 days in any given six-month period of time. Turning to the case at hand, the record is clear that the grievants were utilized on a regular basis and intermittently laid off for the purpose of denying them regular status. Therefore, the Pre-Review Committee agrees that the grievants are entitled to regular status providing they are still on the active payroll.

As to when the grievants became eligible to receive benefits as regular intermittent employees, the Pre-Review Committee agrees that in view of the grievance being held until the December 1974 Joint Grievance Committee meeting and then subsequently referred to the Review Committee, the grievants are entitled to adjustments, if any, effective January 1, 1975.

When a settlement is reached by the Joint Grievance Committee, the Review Committee should be sent a copy of the final disposition.

Review Committee

ADDENDUM TO TITLE 19. DEMOTION AND LAYOFF PROCEDURE

JOB SECURITY

During the course of 1990 General Negotiations, the parties spent a great deal of time addressing the issue of job security with particular emphasis on the ability of Company to place non-bargaining unit employees into the bargaining unit. Company agreed that Letter Agreement 88-104 would remain in effect which limits Company's ability to place non-bargaining unit personnel into the bargaining unit. Further, in the application of Titles 206 and 306 of the Physical Agreement and Title 19 of the Clerical Agreement, Company agrees that should such placements occur, bargaining unit employees in the department and headquarters will not be impacted by demotion, displacement or layoff for the next three years subsequent to the placement of the non-bargaining unit employee into the bargaining unit, unless such employee leaves that headquarters for any reason. Employees at the headquarters

in that department during the three year period will not be impacted by demotion, displacement, or layoff, unless such demotion, displacement, or layoff is unrelated to the placement of the non-bargaining unit employee into the bargaining unit, in which event the original non-bargaining unit employee will be affected first if the number of employees in that department and headquarters is being reduced.

- Example 1. A Supervisor or exempt employee is returned to Service Representative position in Antioch. The Supervisor must be placed in a vacancy as such placement cannot result in a displacement, demotion or layoff.
- Example 2. Eight months after the Supervisor's return to the bargaining unit another Service Representative bids out of the Antioch headquarters. The headquarters may elect to not fill the vacancy and reduce through attrition.
- Example 3. Thirteen months after the Supervisor's return to the bargaining unit, the Concord Customer Services Department effects a displacement for lack of work and a Service Representative has 19.4 rights into Antioch. Since Antioch is not reducing in the Customer Services Department, the affected Service Representative in Antioch would be the one with the least seniority, which may or may not be the former non-bargaining unit employee (NBU).
- Example 4. Fifteen months after the NBU's return to the bargaining unit, Antioch decides to downsize the Customer Services Department by reducing the number of Service Representatives by one. Since a reduction is taking place, the NBU is the first to be demoted, displaced, or laid off.
- Example 5. At any time the NBU leaves the Antioch Customer Services Department and headquarters for any reason (bid, transfer, displacement), the headquarters and department has returned to status quo and may be reduced through demotion, displacement or layoff.

**EXHIBIT J
LETTER AGREEMENT NO. R1-91-99-PGE**

November 1, 1991

Local Union No. 1245
International Brotherhood of
Electrical Workers, AFL-CIO
P.O. Box 4790
Walnut Creek, CA 94546

Attention: Mr. Jack McNally, Business Manager

Gentlemen:

This cancels and supersedes our letter dated July 23, 1991 to reflect changes proposed in Union's letter of October 25, 1991. Pursuant to Sections 205.19 and 18.17 of the Physical and Clerical Agreements, Company proposes the following procedures for the application of the hardship transfer provisions of the Physical and Clerical Agreements (i.e., Sections 205.17 and 18.15). The purpose of these Sections was to allow the Company, through agreement with the Union, to fill a job vacancy by appointing an employee who requests the position for reasons of urgent necessity. Urgent necessity includes impairment of the employee's health or that of a member of the employee's family or the lack of educational facilities for the employee's children in the location in which he/she is currently employed.

Following are the procedures to be utilized:

1. An interested employee must write to the Human Resources Department of his/her division (or General Office department), explaining the circumstances and request a transfer pursuant to the provisions of Section 205.17 (physical) or Section 18.15 (clerical), whichever is applicable.
2. The Division or Department Human Resources Department must then undertake a preliminary investigation to determine whether or not a bona fide reason exists to apply the appropriate section. For situations involving impairment of an employee's health or that of a member of the family, medical documentation is required.
3. If the Human Resources Department believes that the matter should be pursued, they then contact the IBEW Business Representative assigned to that area and both will make a thorough investigation to determine whether a hardship exists. If they agree a hardship exists, then they must then prepare a list of all locations in the Company that could alleviate the problem.
4. This list must be forwarded to the Human Resources Manager and Business Representative of each division (and/or General Office department) where such a location is identified. Each of these locations must also agree, in writing, that hardship transfer consideration should be afforded the employee. To avoid conflicting responses to an employee, all of the divisions solicited for hardship consideration should communicate with each other.

5. The first vacancy in any of the listed locations to any classification to which the employee is qualified to fill that does not have a higher wage schedule than the employee's current classification must be offered to the employee. If the employee declines such offer without a substantial reason or the Company does not make such an offer, the entire matter shall be dropped at this point, and the 205.17/18.5 request is invalidated.

6. If the individual accepts the offered position, a written agreement must then be prepared and signed by both the host and receiving Division Human Resources Managers and IBEW Business Representatives. A copy of such agreement should be forwarded to the Manager of Industrial Relations and the IBEW Business Manager, as well as all of the other locations earlier identified.

While the Division Human Resources Manager and IBEW Business Representative must send a hardship request to each suitable location, employees must also submit bids and transfers to each of these locations. The bids and transfers must be to every classification that would qualify in alleviating the hardship. If an employee declines a bona fide bid or transfer job offer, without a substantial reason, or if they refuse to submit bids and transfers to appropriate positions in all of the locations identified, his/her hardship would also be invalidated.

Many hardship requests are location specific. This appears to be an attempt by some employees to relocate using the hardship provisions rather than the normal bid and transfer procedure. Those location specific requests must be viewed very carefully to ensure that the location(s) requested is/are the only location(s) that would alleviate the employee's hardship. Often there are many locations that would accommodate the employee's particular situation. All of those locations must be included for consideration.

Often times employees send hardship requests directly to the Division Human Resources Department(s) in the location(s) where they wish to be considered. Those requests must be returned to the employee's Human Resources Department for consideration and processing.

This agreement may be cancelled by either party upon 30 days written notice to the other of such cancellation.

If you are in accord with the foregoing and agree thereto, please so indicate in the space provided below and return one executed copy of this letter to Company.

Very truly yours,

PACIFIC GAS AND ELECTRIC COMPANY

By /s/ R.L. Bailey
Manager of Industrial Relations

The Union is in accord with the foregoing and it agrees thereto as of the date hereof.

ATTACHMENT 1

SEVERANCE AGREEMENT AND RELEASE (*Amended 1-1-11*)

This Severance Agreement and Release is made and entered into between Mr./Ms. _____ and the Pacific Gas and Electric Company (PG&E). Mr./Ms. _____ and PG&E (collectively referred to as "the parties"), in their wish to compromise, resolve, settle, and terminate any dispute or claim between them with respect to Mr./Ms. _____ employment with PG&E and severance therefrom, have agreed as follows:

1. *Severance Payment:* Effective close of business on, _____ Mr./Ms. _____ shall be laid off from PG&E employment.

On _____, or seven calendar days following the execution of this Severance Agreement and Release, whichever is later, PG&E shall pay to Mr./Ms. _____ the amount of _____, less applicable deductions. Mr./Ms. _____ shall be responsible for paying any taxes on the amount paid to him/her pursuant to this Severance Agreement and Release. If Mr./Ms. _____ is rehired within 30 calendar days of layoff, then PG&E's obligation to pay is null and void. The parties agree that the payment provided in this paragraph is in addition to, and does not affect, any payment and benefit to which Mr./Ms. _____ may be otherwise entitled under PG&E's compensation and other benefit programs.

2. *No Pending Claims.* Mr./Ms. _____ represents that he/she does not have any pending claim, charge or action in or with any federal, state or local court or any administrative agency relating to his/her employment against PG&E, its officers, attorneys, agents, employees, subsidiaries, parent company, assigns, affiliated companies and successors. If Mr./Ms. _____ does have pending claims described in the preceding sentence, Mr./Ms. _____ agrees that such claims are covered by the release aspect of this Severance Agreement and Release and that he/she shall take all necessary action to seek dismissal with prejudice of each claim, within two business days after the effective date of this Severance Agreement and Release.

3. *Release.* In consideration for the payment which PG&E shall provide Mr./Ms. _____ under this Severance Agreement and Release, Mr./Ms. _____ on behalf of his/herself, his/her heirs, estate, executors, administrators, successors, and assigns, releases and agrees to hold harmless PG&E, its officers, attorneys, agents, employees, subsidiaries, parent company, assigns, affiliated companies, and successors, from all actions, causes of action, claims, disputes, judgments, obligations, damages, liabilities of whatsoever kind and character, relating to Mr./Ms. _____ employment with PG&E, including his/her employment severance and any action which led to the severance. Specifically, Mr./Ms. _____ understands and agrees that the actions, causes of action, claims, disputes, judgments, obligations, damages, and liabilities covered by the preceding sentence include, but are not limited to, those arising under any federal, state, or local law, regulation, or order relating to civil rights (including but not limited to employment discrimination on the basis of race, color, religion, age, sex, national origin, ancestry, physical or mental handicap or disability, medical condition, veteran status, marital status, pregnancy, and sexual orientation), wage and hour, labor, contract, or tort.

Mr./Ms. _____ understands and agrees that the Severance Agreement and Release extends to all claims of every nature and kind whatsoever, known or unknown, suspected or unsuspected, past or present, and all rights under Section 1542 of the California Civil Code are hereby expressly waived. Such section reads as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his/her favor at the time of executing the release, which if known to his/her must have materially affected his/her settlement with the debtor.

Mr./Ms. _____ agrees not to initiate, participate or aid, in any way, in any lawsuit or proceeding upon any claim released by him/her under this Severance Agreement and Release. The preceding sentence, however, shall not prohibit Mr./Ms. _____ from participating in any judicial or administrative proceeding that relates to the subject matter of, or any claim covered by, this Severance Agreement and Release, if he/she is compelled to do so by a properly-issued subpoena or valid court order. PG&E also acknowledges that Mr./Ms. _____ may be legally required to appear and testify at a deposition, court hearing or trial, or otherwise respond to a subpoena. In the event of any such subpoena, court order, or request, Mr./Ms. _____ shall notify PG&E's Human Resources Department as soon as possible.

4. *Return of PG&E Property.* Mr./Ms. _____ represents and agrees that prior to signing this Severance Agreement and Release, he/she returned to PG&E all originals and copies of all files, memoranda, records, software, credit cards, identification cards, keys, and any other property of PG&E or its affiliates which he/she had in his/her possession, custody or control. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.
5. *Non Disclosure.* Mr./Ms. _____ agrees not to use, disclose, publicize, or circulate any secret, confidential or proprietary information concerning PG&E, its subsidiaries, parent company, or affiliates, which has come to his/her attention during his/her employment with PG&E, unless his/her doing so is consistent with any rights he/she may have under any applicable whistleblower laws, is authorized in writing by PG&E or is required by law, including subpoena. Before making any legally-required disclosure, Mr./Ms. _____ shall give PG&E as much advance notice as possible. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.
6. *Anti-Disparagement.* Mr./Ms. _____ agrees not to make, issue, endorse, publicize, or circulate to any person or entity statements or remarks that can reasonably be construed as disparaging toward PG&E, including its officers, directors, attorneys, agents, employees, assigns, parent company, subsidiaries, affiliated companies and successors, or any aspect of its operations. Mr./Ms. _____ also agrees that, if called upon to do so, he/she will cooperate with, and provide reasonable assistance to, PG&E to protect and further its lawful interests in all judicial, administrative, investigative, and legislative proceedings involving PG&E or any aspect of its operations. The parties agree that this paragraph does not affect Mr./Ms. _____'s legitimate exercise of his/her rights under applicable whistleblower laws or his/her obligation to comply with all validly-issued court or administrative orders, including subpoenas. Mr./Ms. _____ further agrees that his/her violation of this paragraph shall constitute a material breach of this Severance Agreement and Release.
7. *Breach.* Mr./Ms. _____ agrees that, if he/she engages in a material breach of this Severance Agreement and Release, PG&E shall not be required to make any unpaid payment due under this Severance Agreement and Release, and he/she shall repay to PG&E the payment he/she received under this Severance Agreement and Release within seven (7) calendar days upon written demand by PG&E. The parties agree that this paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said act.
8. *Misconduct.* Mr./Ms. _____ understands that if he/she engages, or has engaged, in misconduct that would warrant his/her termination of employment under PG&E's employee conduct standards and the collective bargaining agreement's just cause standard, he/she shall forfeit his/her right to sign this Severance Agreement and Release.
9. *Arbitration.* Any dispute regarding any aspect of this Severance Agreement and Release, including its validity, interpretation, or any action which would constitute a violation of this Severance Agreement and Release (hereinafter referred to as an "arbitrable dispute") shall be resolved by an experienced arbitrator, selected by the parties in accordance with the rules of the American Arbitration Association. The fees of the arbitrator and the cost associated with producing a transcript of the proceedings shall be paid in equal shares by Mr./Ms. _____ and PG&E. The parties agree that arbitration shall be the exclusive remedy for resolving arbitrable disputes and that the decision of the arbitrator shall be final and binding. The

judgment rendered by the arbitrator may be entered in any court having competent jurisdiction. The prevailing party in any such arbitration shall be entitled to costs and reasonable attorneys' fees. In addition, any party who attempts to pursue an arbitrable dispute in any forum other than arbitration shall be liable for costs and attorneys' fees incurred by the other party in seeking to compel arbitration. The parties agree that this paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said Act.

10. *Repayment.* Mr./Ms. _____ agrees that, if he/she initiates an administrative, judicial, arbitral, or other similar proceeding, to bring a claim released by this Severance Agreement and Release or to challenge the validity of this Severance Agreement and Release, PG&E shall not be required to make any unmade payment due under this Severance Agreement and Release and he/she shall repay to PG&E the payment he/she received under this Severance Agreement and Release concurrent with his/her initiation of the proceeding. Mr./Ms. _____'s failure to make the prescribed repayment shall be a basis for rejecting his/her claim and/or his/her attempt to challenge the validity of this Severance Agreement and Release. Mr./Ms. _____ also agrees that, if the claim he/she brought or his/her attempt to challenge the validity of this Severance Agreement and Release is rejected, he/she shall pay to PG&E any loss, cost, damage, or expense, including, without limitation, reasonable attorney fees PG&E incurred in the proceeding, within seven (7) calendar days from the final decision rejecting his/her claim or attempt. Further, notwithstanding the foregoing, if Mr./Ms. _____ obtains against PG&E a monetary judgment or settlement for a claim released under this Severance Agreement and Release, the payment he/she received under this Severance Agreement and Release shall be deducted from any such monetary judgment or settlement. The parties agree that this paragraph shall not apply to the lawful exercise of any right Mr./Ms. _____ may have under the Age Discrimination in Employment Act and that such matters shall be governed by the provisions of said Act.
11. *No Admission of Liability.* This Severance Agreement and Release shall not be considered an admission of liability or a violation of any applicable contract, law, rule, regulation, guideline, or order of any kind.
12. *Older Workers Benefit Protection Act (Age 40 or over).* Mr./Ms. _____ agrees that all claims he/she may have arising under the Age Discrimination in Employment Act before he/she signs this Severance Agreement and Release are covered by paragraph 3 of this Severance Agreement and Release and that his/her waiver of those age discrimination claims is an integral part of the release aspect of this Severance Agreement and Release. Therefore, consistent with the Older Workers Benefit Protection Act, Mr./Ms. _____ states that he/she was given this Severance Agreement and Release on _____, and understands that he/she has 45 calendar days from _____ until _____, to consider the Severance Agreement and Release. Further, Mr./Ms. _____ understands that, if he/she signs this Severance Agreement and Release, he/she may revoke it within seven (7) calendar days of the agreement's execution. To revoke this Severance Agreement and Release, Mr./Ms. _____ must submit to the local Human Resources Department, a signed statement to that effect by close of business of the seventh (7th) day. Mr./Ms. _____ understands and agrees that this Severance Agreement and Release will not take effect until the expiration of the seven-day revocation period. Further, Mr./Ms. _____ may elect to consider the severance package for fewer than 45 days, at his/her own option, but is under no obligation to shorten the period. If Mr./Ms. _____ elects to consider the severance package for fewer than 45 days at his/her option and executes this Severance Agreement and Release before the 45-day consideration period has expired, said employee may receive the severance payment before the 45-day consideration period, but only after the seven-day revocation period has expired. In no event, however, shall Mr./Ms. _____ receive the payment until he/she has completed his/her consideration period, which may be less than 45 days at his/her option, as well as the seven-day revocation period.
13. *Entire Agreement.* This Severance Agreement and Release sets forth the entire agreement between the parties and fully supersedes any and all prior agreements or understandings between the parties pertaining to the subject matter of this Severance Agreement and Release. This Severance Agreement and Release, however, shall not affect any right either party has or may have against the other regarding Workers' Compensation claims and Supplemental Benefit payments made for those claims. The parties agree that this Severance Agreement and Release may not be modified or canceled in any manner except by a writing

signed by Mr./Ms. _____ and an authorized PG&E official. If any provision of this release is found to be unenforceable, all other provisions will remain fully enforceable.

14. *Consultation with Counsel.* Mr./Ms. _____ states that he/she has read this Severance Agreement and Release in its entirety, that he/she has been given the necessary time to consider its contents, that he/she fully understands its terms, that he/she has been advised that he/she should consult legal counsel of his/her choosing, that the only promises made to him/her to sign are those stated herein, and that he/she is signing this Severance Agreement and Release voluntarily.

PLEASE READ CAREFULLY. THIS SEVERANCE AGREEMENT AND RELEASE INCLUDES A RELEASE OF ALL KNOWN AND UNKNOWN CLAIMS.

LABOR AGREEMENT INTERPRETATION

SUBJECT: Comparable Substitute for Usual and Average Meals (Meals at Home)

TITLE 16 - MEALS - Clerical Agreement

Section 104.1 of the Physical Agreement and Section 16.1 of the Clerical Agreement state that the provisions of the Meal Titles shall be interpreted and applied in a practical manner which shall conform to the intention of the parties in negotiating with respect to meals; namely, that a comparable substitute shall be provided when employees are prevented from observing their usual and average meal practices or are prevented from eating a meal at approximately the usual time therefor.

In the Company's Guidelines with respect to the application of Title 104 originally issued in October 1965 and amended in October 1966 and July 1968, the following statement is made with respect to the definition of a comparable substitute:

"The meal provided...should but may not be quite the same as the meal would be at the same time if eaten at home. Dependent upon the circumstances present at the time, and where practical or possible, a comparable substitute to the missed meal should be furnished.

"It may be necessary to provide meals at times of the day or night when the employee would not observe a customary meal time.... The meal provided, again dependent upon the circumstances of that situation, should be such as to adequately compensate for the need for food resulting from working beyond or before customary meal time.

"There have been no maximum cost limits for meals agreed upon because the cost of meals may vary due to such factors as the time of day, location, conditions and other circumstances. However, the requirement of reasonableness in the selection of a 'comparable substitute' for the meal missed should be followed."

The following guidelines, but not necessarily in the order listed, should be kept in mind by both employees and supervisors in determining whether or not a meal purchased as a comparable substitute is or is not reasonable.

1. The cost of meals at the average restaurant available in the general area, but excluding such luxury items as filet mignon or combination steak and seafood dinners. The foregoing is not intended to mean menu averaging.
2. The availability of restaurants which can provide a comparable substitute within a reasonable distance of the job site or between the job site and the headquarters.
3. The breakfast, luncheon or dinner menu where comparable substitutes are available, but excluding extra a la carte items. The foregoing does not preclude ordering a la carte when that is all that is available nor does it preclude a la carte desserts with dinner meals.
4. The weather or other extreme working conditions to which the employees have been subjected.
5. The amount by which the time limits in the Agreement and the Guidelines have been exceeded, with some consideration as to whether or not sandwiches and a hot beverage have been supplied on the job. Except for lunch, the foregoing does not imply that sandwiches and a hot beverage are to be considered as a comparable substitute nor is it intended to mean that employees are to be worked routinely nor excessively beyond the aforementioned time limits.
