Dear Mr. Dean:

The Company and Union agree to modify Section 12.2 of the Clerical Agreement and Sections 208.2 & 308.2 of the Physical Agreement with payment at the rate of two times the employee's straight rate of pay under the conditions below, for classifications within the following JDLOP's: Operating; T200 Electric Department Office; and Clerical Services (e.g., Routine Field Clerk & First Field Clerk).

1. An employee who is scheduled to work prearranged overtime outside of his/her regular work hours on a workday or on a non-workday in preparation for a weather-related event that is anticipated to cause an impact to electric reliability and/or customer outages. This section shall apply for the duration of the assignment.
2. An employee who is scheduled to work prearranged overtime outside of his/her regular work hours on a workday, or non-workday, in support of a major electric event (e.g. earthquake or wildfire storm) requiring Emergency Operations Center (EOC) activation. Examples of major electric events that would not be included within the scope of this Agreement include, but are not limited to, routine emergencies and planned public events. This section shall apply for the duration of the assignment. The Company's Director of Emergency Operations shall notify IBEW 1245 Business Manager (or designee) of the Company's intention to open the EOC as soon as is possible.
 - a) "Duration of assignment" in Item #2 is defined as the time period in which the EOC is activated; or the EOC has been de-activated, and the Operations Emergency Center (OEC) remains active, and an employee is on-site and under the command structure of the OEC.

Any work performed on overtime beyond the deadline above would be paid in accordance with the rate of pay as determined by Section 12.2 of the Clerical Agreement and Sections 208.2 & 308.2 of the Physical Agreement.

The overtime provisions will take effect on 12/13/2021.

Oversight Committee

The Company and Union shall each appoint up to three members to be part of an Oversight Committee. The Oversight Committee will attempt to resolve any issues that may arise regarding this Letter of Agreement. Issues that the Oversight Committee cannot resolve will be escalated to the Company's and Union's respective designees to attempt resolution within forty-five (45) days. Issues that the Oversight Committee cannot resolve will be subject to the party's grievance procedure Subsection 9.3(a)(2) and timelines will be waived for the forty-five-day period.
