

PG&E CLERICAL CONTRACT:

Your Vote Matters

Your IBEW 1245 Clerical Bargaining Committee has negotiated a Tentative Agreement with important gains for Clerical employees at PG&E. *You* made these gains possible through your participation and your support. Now we need you to take us across the finish line by voting. Your bargaining committee recommends a “Yes” vote.

A full copy of the Tentative Agreement will be posted as soon as possible on the union website at www.IBEW1245.com. Members of the IBEW 1245 Clerical Bargaining Committee and Business Representatives will discuss the details of the Tentative Agreement at unit meetings in November and early December, and also in visits to members in the field. A schedule of these field visits will be posted as soon as possible at www.IBEW1245.com.
